\_\_\_\_\_ )  
WHEREAS, Government Code section 25259.9 provides that "The presiding judge may make an order discharging the collection program from further accountability"; and

WHEREAS, the County of San Mateo's Revenue Services Division, which performs debt collection services for the Superior Court of San Mateo County (Court), submitted an application pursuant to Government Code section 25259.8 recommending the Court discharge from accountability 23,103 cases with debt totaling \$9,755,846.67 that are either (1) cases having a balance of \$100 or less or (2) infraction, misdemeanor, and felony cases where at least 10 years have elapsed since the date of last payment or the date the account became delinquent (see Exhibit A); and

WHEREAS, pursuant to Government Code section 25259.8, the Revenue Services Division provided a list with each case name, case number, amount to discharge, date of last payment, and reason for recommending discharge from accountability (see Exhibit B); and

WHEREAS, these cases have low levels of balances due and/or meet the criteria for infraction cases that are highly unlikely to pay or further pay such that they do not justify the further cost of collections;

NOW THEREFORE, FOR GOOD CAUSE SHOWN, IT IS HEREBY ORDERED THAT the Revenue Services Division be discharged from being liable or responsible for collecting all remaining debt on the 23,103 cases identified in Exhibit B. Pursuant to Government Code section 25259.9, this order does not, however, constitute a release of any person from liability for payment of any amount.

Dated: SEP 13 2021

LELAND DAVIS III

Hon. Leland Davis, III  
Presiding Judge

**SUPERIOR COURT OF CALIFORNIA, COUNTY OF SAN MATEO**  
**Application for Discharge from Accountability**  
**Government Code section 25259.7 and 25259.9**

The collections program respectfully applies to the presiding judge of the court for a discharge from accountability for the court-ordered debt or bail listed in Attachment A, that it would otherwise be responsible for collecting. The request is based on one or both of the following: 1) the balance of \$100 or less is too small to justify the cost of collections ; or 2) the amount is too small to justify the cost of collections; and 3) at least ten years have elapsed from the date of last payment or the date the account became delinquent for infraction cases.

Pursuant to Government Code Section 25259.9, upon discharge, the Revenue Services Division will no longer be liable or responsible for collection of the debt that has been discharged from accountability.

A discharge from accountability does not constitute a release of any person from liability for payment of any amount owed.

**Total amount requested to be discharged from accountability: \$9,755,846.67**

**The names of the persons liable and he amount owed by each are incorporated in the attached report.**

**VERIFICATION**  
**(Government Code Section 25259.8)**

I, Rochelle Kiner, Director of Revenue Services, apply to the presiding judge, for a discharge from accountability for the collection thereof and attest that the facts stated in the application and Attachment A are true and correct to the best of my knowledge.

**DISCHARGE FROM ACCOUNTABILITY**  
**(Government Code Section 25259.9)**

The presiding judge of the Superior court of California, County of San Mateo, having read and considered the information provided, determines that the request for discharge is justified and relieves the applicant from any further responsibility for collecting the discharged debt. This discharge does not constitute a release of any person from liability for payment of any amount owed.

The clerk of the court is directed to enter record of the discharge in the court case file for each debt and to post a copy of the order of discharge on the court's Internet Web site for a period of not less than three weeks.
