When service is made by mail, Section 1013(a) of the Code of Civil Procedure provides the language to be used in the proof of service. A declaration which simply recites that the declarant "caused the papers to be served" by handing them to a messenger is not adequate proof of service. In the absence of opposition, a motion accompanied by a defective proof of service will be continued, placed off calendar, or denied. The proof of service must show service on all parties who have appeared in the action, not just the party to whom the motion is directed. (See CCP1014.)

All standing orders of the Superior Court shall be signed by the Presiding Judge, shall (unless otherwise noted) specify each is in effect indefinitely until vacated or superseded by the Presiding Judge, shall be numbered sequentially and filed chronologically by the Clerk in a special file marked "Standing Orders", shall be distributed to all judicial officers of the court and shall be published by the San Mateo County Bar Association as an appendix to the Local Rules of the Superior Court at such times as the Local Rules are published.

Standing Orders that relate to Juvenile Court matters may be signed by the Presiding Judge of the Juvenile Division on behalf of the Superior Court's Presiding Judge. All other administrative requirements, as stated above, shall also be applicable.

- (c) **Late Filing/Motion to Dismiss.**
 - (1) **Criminal cases.** If a notice of appeal is filed late, the clerk will stamp it “Received (date) but not filed.” (CRC rule 8.853(d).) If a late notice of appeal is inadvertently filed, the Presiding Judge of the Appellate Division will dismiss the appeal without hearing, either on his or her own motion or on the motion of counsel.
 - (2) **Civil cases.** If a notice of appeal is filed late, the Presiding Judge of the Appellate Division will dismiss the appeal without hearing, either on his or her own motion or on the motion of counsel. (CRC rule 8.822(d).) A motion to dismiss on grounds of a late-filed notice of appeal shall be filed with the Clerk of the Appellate Division.
- (d) **Filing Fees.**
 - (1) Filing fees required by Government Code § 70621 shall be paid in the trial court.
 - (2) For litigants who qualify, the court may waive filing fees. Filing fees, orders for fee waivers, or applications for fee waivers shall be filed in the trial court at the time of filing the notice of appeal or within fifteen (15) days thereafter. (CRC rules 8.821(b)(1), (c).)

(Adopted, eff. Jan. 1, 2009) (Amended, effective July 1, 2009)

1.4 RECORD ON APPEAL

(a) **Civil Appeals.**

(1) **Contents.** The "record on appeal" includes the clerk's transcript or agreed statement (CRC rule 8.830(a)(1)) and may include the reporter's transcript, an agreed statement, or a settled statement on appeal (CRC rule 8.830(a)(2)). The record shall be designated by notice filed in the trial court. (CRC rule 8.831.)

(2) **Clerk's Transcript.** Within ten days of notification by the clerk of the trial court's appeals division of the estimate of the cost of the preparation of the clerk's transcript, appellant shall make arrangement for payment of the required fees. (CRC rule 8.832(c)(3).)

(3) **Reporter's Transcript.** Appellant shall designate and file notice in the trial court to obtain a reporter's transcript and pay for that transcript within the time required. (CRC rules 8.834(a), (b).)

(4) **Augmenting or Correcting the Record on Appeal.** Either party may move to augment or correct the record on appeal. (CRC rule 8.841.) Such motions shall comply with LCR rule 1.8, and may be ruled upon without hearing.

(5) **Burden of Providing the Record.** It is the burden of the appellant to insure that the Appellate Division has an adequate record for review pursuant to CRC rules 8.834 through 8.837, except to the extent provided in rule 8.842.

(b) **Criminal Appeals.**

(1) **Contents.** The "record on appeal" includes the clerk's transcript, and may include a reporter's transcript or statement on appeal (CRC rule 8.860) and exhibits (CRC rule 8.870).

(2) **Clerk's Transcript.** Upon filing of a Notice of Appeal, the clerk's transcript is prepared by the trial court Clerk without written request or payment of fees by the appellant. (CRC rules 8.861 through 8.863.)

(3) Reporter's Transcript.

(A) Appellant's responsibility. If appellant intends to present the evidentiary record by a reporter's transcript, appellant shall note that fact in his or her notice of election filed within the time requirements specified in CRC rule 8.864(b), and shall deposit with the clerk the estimated cost for preparing the transcript as provided in CRC rule 8.866(a)(2)(C), unless payment is waived by law or by court order. The reporter shall file the original transcript with the Clerk of the Appellate Division and provide copies to appellant and respondent. (CRC rule 8.866(d).)

(B) Waiver of reporter's fees. Applications to cover the cost of reporter's transcript shall be made in the trial court at the clerk's office. If the application is denied, appellant may apply to the Appellate Division. The application shall comply with LCR Rule 1.8, and will be ruled upon without hearing.

(Adopted, eff. Jan. 1, 2009) (Amended, effective July 1, 2009)

1.5 BRIEFS

(a) Time for Filing.

(1) Briefs. After the record on appeal has been transmitted, the Appellate Division will notify the parties. The parties shall file briefs in accordance with the time periods specified in CRC rule 8.882(a).

(2) Failure to File Timely Briefs. In civil appeals, failure of appellant to file an opening brief on or before the required date is a ground to dismiss the appeal. In criminal appeals, failure of appellant to file an opening brief on or before the required date is a ground to either appoint new counsel if the appellant is represented by appointed counsel or to dismiss the appeal. Failure to file a respondent's brief on or before the required date will result in the case being submitted for decision on the record on appeal, the appellant's opening brief, and the appellant's oral argument. Such failure may cause the Appellate Division to accept as true the statement of facts contained in appellant's opening brief. (CRC rule 8.882(c).)

(b) Content and Format. Briefs shall comply with CRC rule 8.883, except that only one side of the paper may be used and such briefs shall be bound at the top, with cover colors that comply with CRC 8.40(b).

(c) Length.

(1) No brief shall exceed 6,800 words in length without prior approval of the Appellate Division. (CRC rule 8.883(b).) Tables of contents and/or authorities are excluded from this limitation, but footnotes are included.

- (2) Permission to file any briefs in excess of fifteen pages shall be obtained by application in accordance with LCR rule 1.8.
- (3) The brief must include a certificate stating the number of words in the brief as required under CRC, rule 8.883(b).
- (d) **Service.** Briefs shall be served as follows: the original and three copies on the Clerk of the Appellate Division, one copy on the trial court, and one copy on opposing counsel. (See CRC rule 8.882(e)).
- (e) **Extension of Time.** Applications for extensions of time to file briefs shall be filed in the Appellate Division in accordance with LCR rule 1.8.

(Adopted, eff. Jan. 1, 2009) (Amended, effective July 1, 2009)

1.6 ORAL ARGUMENT

(a) **Date and Time.**

(1) **Date.** The date for oral argument will be set after briefing is completed. The hearing date will be subject to written notice to the parties by the Clerk of the Appellate Division at least 20 days prior to the hearing date, unless the Presiding Judge shortens the notice period for good cause. (CRC rule 8.885.)

(2) **Time.** Unless noticed otherwise by the Clerk of the Appellate Division, all criminal and civil matters are heard at 2:00 p.m.

(b) **Failure to Appear.** A party who fails to appear at oral argument when the case is called is deemed to have waived oral argument, unless the delay or tardiness is excused by the Appellate Division. (See CRC rule 8.885(c).)

(c) **Continuances.** Continuances will only be granted upon a showing of good cause. Continuances by stipulation are subject to the approval of the Presiding Judge of the Appellate Division. Written applications for continuance shall comply with LCR Rule 1.8, and will be ruled upon without hearing.

(d) **Amount of Time to Argue.** Parties are entitled to time to argue of a maximum of ten minutes per side, unless they have been granted a longer argument time by prior permission. (CRC rule 8.885(d).)

(e) **Supplemental Briefing.** Supplemental briefing will be permitted when the Appellate Division indicates it intends to decide a case upon the basis of an issue not briefed or proposed by any party. (Govt. Code § 68081.)

(Adopted, eff. Jan. 1, 2009) (Amended, effective July 1, 2009)

1.7 DECISION

(a) **Time for Decision.** The Appellate Division shall decide a case within ninety days after submission. (Cal. Const., Article 6, §19.)

(b) **Opinion.** The Appellate Division may file an opinion on each appeal, but is not required to do so. (CRC rule 8.887(a).)

(c) **Publication.** An opinion is published in whole or in part in the Official Reports when a majority of the judges in the Appellate Division who participated in the opinion certifies that the opinion meets one or more of the standards set forth in CRC rule 8.1105(c), and the Court of Appeal does not order the case transferred to it for hearing and decision. (CRC rules 8.1105(b), 8.1002.)

(d) **Rehearing and/or Certification.**

(1) Any petition for rehearing shall be served and filed with proof of service as provided in CRC rule 8.889(b)(1). No answer may be filed unless the court requests one. (CRC rule 8.889(b)(2).)

(2) If a rehearing is ordered, the Appellate Division may place the case on calendar for further argument or may resubmit the matter for decision without argument. (CRC rule 8.889(d).)

(3) Any party may move to certify, or the Appellate Division on its own motion may certify, that transfer of a case to the Court of Appeal appears necessary to secure uniformity of decision or to settle important questions of law. (CRC rule 8.1005(a).) An application to certify shall be filed within 15 days after the judgment is pronounced or modified. (CRC rule 8.1005(b).)

(Adopted, eff. Jan. 1, 2009) (Amended, effective July 1, 2009)

1.8 APPLICATIONS AND MOTIONS

(a) **Routine Applications.** Routine applications shall be served on opposing counsel and submitted to the Appellate Division. (CRC rules 8.810 through 8.817.)

(b) **Motions.** Written motions in connection with all non-routine matters shall be served on all parties and shall be filed in the Appellate Division. (CRC rule 8.808.) Motions filed before the Appellate Division has received the record on appeal shall be accompanied by copies of documents previously filed sufficient to permit review.

(c) **Motions to Withdraw as Counsel.** Motions of an attorney to withdraw as counsel of record shall comply with the requirements of CCP sections 284 and 285, and CRC rules 3.1362 and 8.814(c).

(d) **Ruling on Applications and Motions.** Rulings on applications and motions made pursuant to this rule are made without hearing.

(e) **Abandonment.** A civil appeal may be abandoned on written request of the appellant or stipulation of the parties filed with the Clerk of the Appellate Division. (CRC 8.8259b.) A criminal appeal may be abandoned by filing a written abandonment of appeal with the Clerk of the Appellate Division. (CRC rule 8.855(b).)

(Adopted, eff. Jan. 1, 2009) (Amended, effective July 1, 2009)

1.9 EXTENSIONS AND RELIEF FROM DEFAULT

- (a) **Where Application For Extension Filed.** Applications for extension of time to prepare the record on appeal shall be made to the trial court. (CRC rule 8.810(b).) All other applications for extension of time shall be made to the Appellate Division. (CRC rule 8.810(c).)
- (b) **Denial or Failure To Grant By Trial Court.** If an extension of time is denied or cannot be granted by the trial court, application may be made to the Appellate Division in accordance with LCR rule 1.8, and will be ruled upon without hearing.
- (c) **Reinstatement of Appeal.** Applications to grant relief from default or reinstate an appeal after dismissal shall follow the procedures set forth in sub-paragraph (b) above.

(Adopted, eff. Jan. 1, 2009) (Amended, effective July 1, 2009)

1.10 WRITS

- (a) **Assigned Departments.** Petitions for writ of mandate or prohibition in limited civil, misdemeanor or infraction cases shall be heard in the Appellate Division. (CCP §1085(b), 1103(b), and 1068(b); CRC rule 8.930.) Petitions for writ of habeas corpus shall not be considered by the Appellate Division. (CRC rule 4.552(d).) Instead, habeas petitions may be filed with the Clerk of the Superior Court.
- (b) **Content and Format.** Briefs relating to a petition for writ of mandate or prohibition shall comply with CRC rules 8.931 through 8.933 and 8.883, except that only one side of the paper may be used and they must be bound at the top, with cover colors that comply with CRC 8.40(b).
- (c) **Service.** Briefs relating to a petition for writ of mandate or prohibition shall be served as follows: the original and three copies on the Clerk of the Appellate Division, one copy on the trial court, and one copy on opposing counsel. (See CRC rule 8.931(c)(3).)

PART 2. CASEFLOW MANAGEMENT

Rule 2.3 New Case Management

This rule applies to all civil cases with the exception of the following: (1) juvenile court matters; (2) probate matters; (3) family law matters; and (4) civil cases which, based on subject matter, have been assigned to a judge, or to more than one judge, for all purposes. For rules applicable to these exceptions, see CRC 2.20, 2.30, 2.570-2.573, 2.585, 2.810-2.819, 2.830-2.834, 3.650, 3.700-3.735, 3.920-3.927, 3.1370, 3.1380-3.1385, 3.1590-3.1591, 3.1806, 5.590, 10.900-10.901, 10.910, 10.950-10.953,.

(a) Purposes and Goals

The purposes and goals of the San Mateo Superior Court Civil Case Management System effective January 1, 1992 are:

- (1) To manage fairly and efficiently, from commencement to disposition, the processing of civil litigation.
- (2) To prepare the bench and bar for full implementation of the Trial Court Delay Reduction Act (A.B. 3820) on July 1, 1992; and
- (3) To encourage parties to agree to informal discovery early in the life of the case, to use standard form interrogatories and to promote alternative dispute resolution. Nothing in these rules is intended to prevent the parties from stipulating to an earlier intervention by the court by way of a case management conference, settlement conference or any other intervention that seems appropriate.
- (4) In accordance with Sections 3.710-3.715, 10.900, 10.901 of the California Rules of Court, Local Rule 2.3 is adopted to advance the goals of Section 68603 of the Government Code and Section 2.1 of the Standards of Judicial Administration recommended by the Judicial Council.

(b) Team concept

Beginning January 1, 1994 civil litigation will be managed primarily by a team of two program judges.

The clerk will assign the case to a program judge at the time the complaint is filed. The case shall be managed by the assigned program judge until disposition or until the case is assigned to a trial department.

(c) Cases filed after July 1, 1992

Upon the filing of a complaint after July 1, 1992, the case shall be subject to all of the civil case management system rules set forth below. Cases filed before July 1, 1992 shall also be subject to these rules except for subsection (d) (Filing and service of pleadings; exceptions).

(d) Filing and service of pleadings; exceptions.

(1) Complaint: Except as provided in paragraph 5 below, plaintiff shall within 60 days after filing of the complaint serve the complaint on each defendant along with:

- (A) A blank copy of the Judicial Council Case Management Statement;
- (B) A copy of Local Rule 2.3;
- (C) The Notice of Case Management Conference.

If a matter has been submitted to arbitration pursuant to uninsured motorist insurance, the plaintiff shall file a notice to that effect with the court at the time of filing the complaint, or at the time the matter is submitted. The notice shall include the name, address and telephone number of the insurance company, along with the claim number or other designation under which the matter is being processed.

(2) Cross-complaint: Except as provided in paragraph (5) below, each defendant shall within 30 days after answering the complaint file any cross-complaint (within 50 days if compliance with a governmental claims statute is a prerequisite to the cross-complaint) not already served with the answer under Code of Civil Procedure section 428.50 and serve with that cross-complaint:

- (A) A blank copy of the Judicial Council Case Management Statement;
- (B) A copy of Local Rule 2.3;
- (C) The Notice of Case Management Conference.

(3) Responsive pleadings: Except as provided in paragraph 5 below, each party served with a complaint or cross-complaint shall file and serve a response within 30 days after service. The parties may by written agreement stipulate to one 15-day extension to respond to a complaint or cross-complaint.

If the responsive pleading is a demurrer, motion to strike, motion to quash service of process, motion for a change of venue or a motion to stay or dismiss the case on forum non conveniens grounds, and the demurrer is overruled or the motion denied, a further responsive pleading shall be filed within 10 days following notice of the ruling unless otherwise ordered. If a demurrer is sustained or a motion to strike is granted with leave to amend, an amended complaint shall be filed within 10 days following notice of the ruling unless otherwise ordered. The court may fix a time for filing pleadings responsive to such amended complaint.

(4) Proofs of service: Proofs of service must be filed at least 10 calendar days before the case management conference.

(5) Exceptions for longer periods of time to serve or respond:

- (A) Time to serve may be extended for good cause: Upon ex parte application to the court, *in compliance with California Rules of Court 3.1200 –3.1206*, within 60 days of the date the complaint was filed, plaintiff may obtain an extension of time to serve to a

date on or before the case management conference, if good cause is shown by declaration of counsel (or plaintiff filing in propria persona). An additional extension of the time to serve (an initial extension if the application is by a cross-complainant) may be obtained upon written application to the court upon good cause shown before the prior extension has expired. The filing of a timely application for an extension will automatically extend the time to serve by five days, whether or not the application is granted.

Good cause will be found if the declaration shows that the action is filed against a defendant who is an uninsured motorist, and the plaintiff's claim is subject to an arbitration provision in plaintiff's contract of insurance. In determining good cause in other cases, the court will give due consideration to any standards, procedures and policies which have been developed in consultation with the bar of the county through the bench-bar trial court delay committee.

(B) Additional extension of time if uninsured motorist arbitration is pending. In addition to any extension of time obtained pursuant to subsection (5)(A) above, if an uninsured motorist arbitration is still pending between plaintiff and plaintiff's insurance carrier 30 days prior to the expiration of the extension, plaintiff may obtain an additional extension of time by an ex parte application supported by a declaration showing the scheduled or anticipated date of the arbitration hearing and the diligence of plaintiff in pursuing arbitration.

(C) Time to respond may be extended for good cause: Before the time to respond has expired, any party served with a complaint or cross-complaint may, with notice to all other parties in the action, make ex parte application to the court upon good cause shown for an extension of time to respond. The filing of a timely application for an extension will automatically extend the time to respond by five days, whether or not the application is granted.

(e) Case management conference

(1) Date of conference: Unless the parties stipulate in writing and the court orders that the case be earlier referred to arbitration, a case management conference will be set by the clerk at the time the complaint is filed. (Government Code 68616)

(2) Attendance at the case management conference is mandatory for all parties or their attorneys of record.

(3) Plaintiff must serve the Notice of Case Management on all parties no later than 30 calendar days before the conference, unless otherwise ordered by the Court.

(4) The Court will deem the case to be at-issue at the time of the conference (Reference: CRC 3.714(a)) absent a showing of extraordinary circumstances.

(5) The conference may be set at an earlier date by order of the Court or by written stipulation of the parties.

(6) Designation of trial counsel: Trial counsel and, except for good cause shown, back-up trial counsel, must be specified at the case management conference. If such counsel is not specified, relief from the scheduled trial date may not be obtained based upon the ground that counsel is engaged elsewhere.

(7) Conference orders: At the initial conference, the program judge will make appropriate pre-trial orders that may include the following:

- (A) An order referring the case to arbitration, mediation or other dispute resolution process;
- (B) An order transferring the case to the limited jurisdiction of the superior court;
- (C) An order assigning a trial date;
- (D) An order identifying the case as one which may be protracted and determining what special administrative and judicial attention may be appropriate, including special assignment;
- (E) An order identifying the case as one which may be amenable to early settlement or other alternative disposition technique;
- (F) An order of discovery; including but not limited to establishing a discovery schedule, assignment to a discovery referee, and/or establishing a discovery cut-off date;
- (G) An order scheduling the exchange of expert witness information;
- (H) An order assigning a mandatory settlement conference date pursuant to Local Rule 2.3(k) and 2.4; and
- (I) Other orders to achieve the interests of justice and the timely disposition of the case.

(8) CourtCall Telephonic Appearances

(A) Reference CRC, Rule 3.670

(B) Procedure. Telephonic appearances through the use of CourtCall, an independent vendor, are permitted at case management conference hearings. A party wishing to make a telephone appearance must serve and file a Request for Telephone Appearance Form with CourtCall not less than five court days prior to the case management conference hearing. Copies of the Request for CourtCall Appearance form and accompanying information sheet are available in the Clerk's office. There is a fee to parties for each CourtCall appearance and fees are paid directly to CourtCall. CourtCall will fax confirmation of the request to parties.

(C) On the day of the case management conference hearing, counsel and parties appearing by CourtCall must check-in five minutes prior to the hearing. Check-in is accomplished by dialing the courtroom's dedicated toll-free teleconference number and access code that will be provided by CourtCall in the confirmation. Any attorney or party calling after the check-in period shall be considered late for the hearing and shall be treated in the same manner as if the person had personally appeared late for the hearing.

(D) At a case management conference, parties may be referred to an appropriate dispute resolution ("ADR") process (e.g., mediation, binding arbitration or neutral evaluation). If parties are referred ADR, they must redial the dedicated toll-free teleconference number immediately following their case management conference appearance and use a second CourtCall access code to telephonically appear at the ADR referral meeting with ADR staff. If a case has been referred to ADR, a party's case management conference appearance is not complete until they have also telephonically

appeared at the mandatory ADR referral. If parties are referred to judicial arbitration, they do not have to appear at the ADR referral.

(f) Case Management Statement

At least 15 calendar days before the scheduled case management conference, each party shall file with the court and serve on all other parties a completed Judicial Council Case Management Statement. If the case is set for further case management conference hearing(s), all parties must file updated Case Management Statements 15 (fifteen) calendar days prior to the scheduled hearings(s).

(g) Appropriate Dispute Resolution, ADR, Policy Statement

The Court finds it is in the best interests of parties to litigation to participate in appropriate dispute resolution procedures, including but not limited to mediation, neutral evaluation, private or judicial arbitration, voluntary settlement conferences, and the use of special masters and referees. Therefore, all parties shall stipulate to, or be referred to, an appropriate form of dispute resolution before being set for trial, unless there is good cause to dispense with this requirement. Parties are encouraged to stipulate to judicial arbitration or ADR prior to the case management conference.

(h) Stipulations to Arbitration

(1) If the case is at issue, and all counsel and each party appearing in propria persona stipulate in writing to judicial arbitration prior to the case management conference, discovery will remain open following judicial arbitration. A written stipulation to judicial arbitration must be filed with the clerk and a copy immediately sent to the Master Calendar Coordinator at least 10 calendar days before the case management conference in order to avoid the need to appear at that conference. A written stipulation to arbitrate will be deemed to be without a limit as to the amount of the award unless it expressly states otherwise.

(2) It is the policy of this court to make every effort to process cases in a timely manner. Parties who elect or are ordered by the court to judicial arbitration must complete the arbitration hearing within the time frame specified by the court.

Parties who wish to continue the arbitration hearing after the jurisdictional time frame must submit a court provided form entitled "*Ex Parte Motion and Stipulation for continuance of Judicial arbitration Hearing.*" Parties can obtain a copy of the form by contacting the court's judicial arbitration administrator [See Local Rule 10.1(d)(1)]. Continuances without adequate grounds will not be considered. A case management judge will either grant or deny the request for continuance. If the request is denied, the case may be assigned a trial date. If the request is granted, the judge will impose a new deadline by which the arbitration must be completed.

(3) Parties who wish to change their election from judicial arbitration to another form of ADR must file a "Stipulation and [Proposed] Order to [Mediation, Neutral Evaluation, etc.] in Lieu of [Court-Ordered] Judicial Arbitration" with the Clerk of the Court. The Stipulation must state that parties have: (i) notified both the judicial arbitration and ADR coordinators; (ii) cancelled the judicial arbitration hearing; (iii) scheduled the ADR session within five months of the previously scheduled judicial arbitration hearing; and (iv) stipulated to a trial date, which is not more than six months from the previously scheduled judicial arbitration hearing.

(i) Stipulations to Private ADR

(1) If a case is at issue and all counsel and each party appearing in propria persona stipulate in writing to ADR and file a completed Stipulation and Order to ADR with the clerk of the court at least ten (10) calendar days before the first scheduled case management conference, that conference shall be continued 90 days. The court shall notify all parties of the continued case management conference.

(2) If counsel and each party appearing in propria persona are unable to agree upon an appropriate ADR process, they shall appear at the case management conference.

(3) Following an appearance at a case management conference hearing, parties shall, within 21 calendar days, file a completed Stipulation to ADR and Proposed Order identifying the name of the ADR provider, date of ADR session and the names of those who will be in attendance at the ADR session. The completed Stipulation to ADR and Proposed Order shall be filed with the court by plaintiff's counsel. The parties, through counsel, if represented, shall confer with the court's Multi-Option ADR Project (M.A.P.) staff if they cannot agree on a provider. Plaintiff's counsel, shall additionally, send a copy of the completed Stipulation to the court's M.A.P. offices within the same 21-day period.

(4) All parties and counsel shall participate in the ADR process in good faith.

(5) To maintain the quality of ADR services the court requires cooperation from all parties, counsel and ADR providers in completing ADR evaluation forms, and returning these forms to the M.A.P. offices within 10 calendar days of the completion of the ADR process.

(6) ADR Program Complaint Policy If mediation session participants have a concern about the mediation process or the conduct of a mediator affiliated with the court's program, the court encourages them to speak directly with the mediator first. In accordance with California Rules of Court §3.865 et seq., parties may also address written complaints, referencing the specific Rule of Court allegedly violated, to the Court's Civil ADR Program Coordinator. (For complete complaint procedure guidelines, see court web site: www.sanmateocourt.org/adr/civil)

(7) In accordance with the Code of Civil Procedure, section 1033.5(c)(4), the court, in its discretion, may allow the prevailing party at trial the fees and expenses of the ADR provider, unless there is a contrary agreement by the parties.

(j) Setting Short Cause Matters

If the parties agree that the time estimated for trial is 5 hours or less prior to the conference, a written stipulation shall be filed at least 10 calendar days before the case management conference in order to avoid the need to appear at that conference and a copy immediately sent to the Master Calendar Coordinator. In the absence of a stipulation, either party may file a motion to have the matter designated a "short cause" and set the case accordingly. All such matters shall be presumed short cause unless the contrary is established at the hearing on the motion.

(k) Law and Motion

All law and motion matters shall be heard by the regularly assigned Law and Motion judge.

(l) Settlement Conferences

All cases not assigned to arbitration or some other dispute resolution mechanism will be assigned two settlement conference dates, the first of which will be at the earliest practicable date under the circumstances presented by the case, and the second within approximately two weeks prior to the assigned trial date.

Cases assigned to arbitration or other form of ADR may be subjected to a settlement conference prior to the arbitration or ADR process, but will be assigned to a pre-trial settlement conference only if the arbitration/ADR procedure fails to resolve the case.

All cases which fail to resolve by the trial date will be subject to an additional settlement conference on the trial date.

All settlement conferences shall be subject to the requirements specified in Local Rule 2.4.

(m) Sanctions

Sanctions pursuant to CRC 2.30 shall be imposed for any violation of the civil case management system rules. The minimum sanction imposed shall be \$150.00 payable to the court; sanctions payable to the court may be larger where appropriate and will be in addition to appropriate attorney fees and calendar changes, including any appropriate change in calendar status of the action.

Sanctions mandated hereby may be waived by the judge conducting the conference only upon an application showing good cause why sanctions should not be imposed.

Rule 2.3.1 Orders to Show Cause re: Dismissals

(a) A hearing on an order to show cause why the case should not be dismissed for failure to prosecute the matter shall be set at the two year anniversary of the filing of the complaint and/or cross-complaint.

(b) An order to show cause hearing shall be set 45 days after court's receipt of notice of settlement.

(c) An order to show cause hearing regarding dismissals may be set by the court to achieve the interests of justice and the timely disposition of the case.

(d) An order to show cause hearing re: failure to complete judicial arbitration within the court-ordered time frame may be heard during the case management calendar. Sanctions may be imposed and a trial date may be assigned.

Rule 2.4 Settlement Conference

Reference: California Rule of Court, rule 3.138.

(a) At all settlement conferences, notwithstanding any other Rule:

(1) The attorney who will try the case or an informed associate with full authority to negotiate a settlement of the case shall personally attend.

(2) Any persons whose consent is required to authorize settlement shall personally attend; those parties that are corporations shall have in attendance an officer or other employee with authority to bind the corporation. Powers of attorney, oral or written, granting counsel settlement authority are unacceptable as a substitute for personal attendance at this conference. Defendant and cross-defendant shall personally attend if there is no insurance coverage, if there is an

unsatisfied deductible, or if the insurance carrier is demanding that the insured contribute to settlement.

(3) With respect to any insured party, a representative of the insurance carrier with authority to settle which is meaningful considering the exposure to loss presented shall personally attend. If the claims representative in personal attendance has any limitation on his or her settlement authority, a representative of the carrier who has no such limitations shall be available to the court by telephone and shall remain available until released by the judge conducting the conference, regardless of the time of day at the location of that representative.

(4) Upon arrival at the department to which the conference has been assigned, counsel shall check in with the clerk and shall verify the attendance of those persons whose presence is required.

(5) Notwithstanding the provisions of CRC 3.1380(c), no later than five(5) court days before the date set for the settlement conference each party shall lodge with the office of the court administrator and serve on all other parties a written statement setting forth the following:

- (A) A statement of facts.
- (B) The contentions of each party to the action regarding liability and damages.
- (C) An itemized list of special damages.
- (D) In any case in which personal injury is claimed:
 - (i) A description of the nature and extent of any injury claimed, including residuals.
 - (ii) A description of the basis for and method of calculation of any claimed wage loss.
- (E) The most recent demand and offer or a description of any other proposed settlement between or among the parties.

(6) All parties shall be prepared to make a bona fide offer of settlement.

(b) The personal attendance of any person who is required by these rules to be present may be excused only by the presiding judge upon application made prior to the day on which the conference is scheduled. Any such person whose attendance is excused must remain available by telephone until he or she has been excused by the judge conducting the conference regardless of the time of day at the location of that person.

(c) No conference may be continued without the consent of the presiding judge or, if known, the judge to whom the case has been assigned for conference.

(d) At all such conferences, the judge of the department to which the conference has been assigned shall first attempt to settle the case. If settlement discussions are inconclusive, the judge may adjourn the conference to a later date for further settlement discussions.

(e) Sanctions pursuant to CRC 2.30 shall be imposed for any violation of this rule. The minimum sanction imposed shall be \$150.00 payable to the court; sanctions payable to the court may be larger where appropriate and will be in addition to appropriate attorney fees and calendar changes.

Sanctions mandated hereby may be waived by the judge conducting the conference only upon an application showing good cause why sanctions should not be imposed.

Before delivery of proposed jury instructions to the trial judge and opposing counsel, counsel shall fill in all blanks, make all strikeouts, insertions and modifications therein which are appropriate to the case. Submission of a form, which requires additions or modifications to constitute a complete and intelligible instruction, shall not be deemed a request for such instruction.

Any jury instructions requested after the conclusion of taking evidence shall be in writing. The court, in its discretion, may permit instructions to be sent into the jury room in "Booklet Form". Rule 2.7.4 Changing Jury Instructions

(Adopted, effective January 1, 2000)

Rule 2.7.5 Jury Instruction Conference

Before final argument and after submission to the trial judge of all proposed jury instructions, verdict and findings forms, a conference outside the presence of jurors will be held. Ordinarily, a reporter or recorder is not required at the commencement of such conference.

In the event the trial judge intends to give any instructions or use any form of verdict or findings on the court's own motion, such instructions, verdicts or findings should be delivered to counsel.

The trial judge will then discuss with counsel:

- (1) Whether any requested proposed instructions, verdicts or findings are patently inappropriate and will be voluntarily withdrawn;
- (2) Whether there is any patent omission of instructions, verdicts or findings which are appropriate and that may be given without objection;
- (3) Whether there is any other modification, namely those to which the parties will stipulate.

Counsel shall meet prior to this conference to discuss each other's jury instructions and classify them into (1), (2) and (3) above.

The foregoing unreported conference will generally result in clarification of the matters, and creation of three categories of instructions, verdicts or findings that may be withdrawn, given or modified.

Thereafter, the conference should be reported and the trial judge should confirm for the record the matters agreed upon. The trial judge should also specify those instructions, verdicts and findings forms the court proposes to give, refuse or modify, whether at the request of a party or on the court's own motion. The court will hear any objections to the foregoing and rule thereon.

The trial judge should sign each requested instruction and indicate the disposition thereof, all of which shall be thereafter filed by the clerk. If a requested instruction is withdrawn, counsel shall so indicate by writing "withdrawn" and signing or initialing such instruction.

RULE NUMBERS 2.23 TO 2.29 ARE RESERVED

CHAPTER 7. COMPLEX CASES

Rule 2.30 Determination of Complex Case Designation.

A. Decision of Complex Case to be Made by Presiding Judge

The Presiding Judge shall decide whether an action is a complex case within the meaning of California Rules of Court, Rule 3.400, subdivision (a), and whether it should be assigned to a single judge for all purposes. All status conferences or other hearings regarding whether an action should be designated as complex and receive a singly assigned judge shall be set in the Presiding Judge's department.

B. Provisional Designation.

An action is provisionally a complex case if it involves one or more of the following types of claims: (1) antitrust or trade regulation claims; (2) construction defect claims involving many parties or structures; (3) securities claims or investment losses involving many parties; (4) environmental or toxic tort claims involving many parties; (5) claims involving massive torts; (6) claims involving class actions; or (7) insurance coverage claims arising out of any of the claims listed in subdivisions (1) through (6).

The Court shall treat a provisionally complex action as a complex case until the Presiding Judge has the opportunity to decide whether the action meets the definition in California Rules of Court, Rule 3.400, subdivision (a).

C. Application to Designate or Counter-Designate an Action as a Complex Case.

Any party who files either a Civil Case Cover Sheet (pursuant to California Rules of Court, Rule 3.401) or a counter or joinder Civil Case Cover Sheet (pursuant to California Rules of Court, Rule 3.402, subdivision (b) or (c)), designating an action as a complex case in Items 1, 2 and/or 5, must also file an accompanying Certificate Re: Complex Case Designation in the form prescribed by the Court. The certificate must include supporting information showing a reasonable basis for the complex case designation being sought. Such supporting information may include, without limitation, a brief description of the following factors as they pertain to the particular action:

- (1) Management of a large number of separately represented parties;
- (2) Complexity of anticipated factual and/or legal issues;
- (3) Numerous pretrial motions that will be time-consuming to resolve;
- (4) Management of a large number of witnesses or a substantial amount of documentary evidence;
- (5) Coordination with related actions pending in one or more courts in other counties, states or countries or in a federal court;
- (6) Whether or not certification of a putative class action will in fact be pursued; and
- (7) Substantial post-judgment judicial supervision.

A copy of the Certificate Re: Complex Case Designation must be served on all opposing parties. Any certificate filed by a plaintiff shall be served along with the initial service of copies of the Civil Case Cover Sheet (pursuant to California Rules of Court, Rule 3.401), summons, and complaint in the action. Any certificate filed by a defendant shall be served together with the service of copies of the counter or joinder Civil Case Cover Sheet (pursuant to California Rules of Court, Rule 3.402, subdivision (b) or (c)) and the initial first appearance pleading(s).

D. Noncomplex Counter-Designation.

If a Civil Case Cover Sheet designating an action as a complex case and the accompanying Certificate Re: Complex Case Designation has been filed and served and the Court has not previously declared the action to be a complex case, a defendant may file and serve no later than its first appearance a counter Civil Case Cover Sheet designating the action as not a complex case. Any defendant who files such a noncomplex counter-designation must also file and serve an accompanying Certificate Re: Complex Case Designation in the form prescribed by this Court and setting forth supporting information showing a reasonable basis for the noncomplex counter-designation being sought.

Once the Court has declared the action to be a complex case, any party seeking the Presiding Judge's decision that the action is not a complex case must file a noticed motion pursuant to Section H below.

E. Decision by Presiding Judge on Complex Case Designation; Early Status Conference.

If a Civil Case Cover Sheet designating an action as a complex case and the accompanying Certificate Re: Complex Case Designation have been filed and served, the Presiding Judge shall decide as soon as reasonably practicable, with or without a hearing, whether the action is a complex case and should be assigned to a single judge for all purposes.

Upon the filing of a Civil Case Cover Sheet designating an action as a complex case and the accompanying Certificate Re: Complex Case Designation, the Clerk of the Court shall set a status conference at which the Presiding Judge shall decide whether or not the action is a complex case. This status conference shall be held no later than (a) 60 days after the filing of a Civil Case Cover Sheet by a plaintiff (pursuant to California Rules of Court, Rule 3.401) or (b) 30 days after the filing of a counter Civil Case Cover Sheet by a defendant (pursuant to California Rules of Court, Rule 3.402, subdivision (a) or (b)), whichever date is earlier.

Alternatively, in his or her sole discretion, the Presiding Judge may make the decision on complex case designation and single assignment, without a status conference, based upon the filed Civil Case Cover Sheet and accompanying Certificate Re: Complex Case Designation alone.

F. Notice.

The party who seeks a complex case designation or a noncomplex counter-designation must give reasonable notice of the status conference to the opposing party or parties in the action even if they have not yet made a first appearance in the action. Such notice of the status conference shall be given in the same manner as is required for ex parte applications pursuant to California Rule of Court, Rule 379.

G. Representations to the Court.

By presenting to the Court a Certificate Re: Complex Case Designation, an attorney or unrepresented party is certifying to the best of that person's knowledge, information, and belief, formed after reasonable inquiry under the circumstances:

- (1) That the complex case designation or noncomplex counter-designation is not being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;
- (2) That the claims, defenses, or other legal contentions referenced therein are warranted by existing law or by a non-frivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;
- (3) That the statement of supporting information relevant to the complex case designation or noncomplex counter-designation have evidentiary support or are believed, in good faith, likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; and
- (4) That there is a reasonable basis for that party's complex case designation or noncomplex counter-designation.

If, after notice and a reasonable opportunity to be heard, the Court determines that this subpart has been violated, the Court may impose an appropriate sanction upon the attorneys, law firms, or self-represented parties that have violated this subpart.

H. The Presiding Judge's Continuing Power.

With or without a hearing, the Presiding Judge may decide, on his or her own motion or on a noticed motion by any party, that a civil action is a complex case or that an action previously declared to be a complex case is not a complex case.

CHAPTER 1. ORGANIZATION AND ADMINISTRATION

Rule 4.1 General Provisions

A. Tentative Rulings: Tentative rulings on probate matters may be obtained by phoning (650) 599-3481 after 3:30 p.m. one court day prior to the hearing.

Matters set on the non-appearance calendar are not automatically pre-approved. If an appearance will be necessary for a matter that had been set on the non-appearance calendar, the tentative ruling tape will instruct the attorney to appear. If the attorney will not be able to appear on the previously scheduled non-appearance hearing date, the attorney may contact the research attorney and the matter will be continued to the first available date when the attorney can appear.

B. Continuances in Conservatorship and Guardianship Matters: The attorney of record, or petitioner in pro per, will be allowed to continue conservatorship and guardianship matters twice; however, only one continuance will be allowed for General Plan and/or Inventory and Appraisal hearing. If a further continuance is requested, an appearance will be required by the attorney or the self-represented conservator or guardian, before the Court will consider granting another continuance.

C. Continuances in Probate Matters Other Than Conservatorship and Guardianships. The attorney of record, or petitioner in pro per, will be allowed to continue all other probate matters twice. If the matter is not ready for hearing after two continuances it will be dropped from the probate calendar, and the matter will have to be reset and re-noticed before it will be heard.

D. Appropriate Dispute Resolution, ADR, Policy Statement.

Contested probate matters, including will and trust contests, are uniquely well suited for various types of ADR processes including, but not limited to, mediation, neutral evaluation and arbitration. The Court finds that ADR can contribute to the prompt, economical and satisfying resolution of probate disputes. Accordingly, unless otherwise ordered, any contested probate matter set for an evidentiary hearing or trial shall be referred to ADR as soon as the Probate Department is aware the contested matter will not be resolved by declaration on the regular Probate Department Calendar. The Court may refer parties to ADR at the initial hearing in the case or at any other point in the proceedings deemed appropriate. Cases also may be referred directly to ADR by agreement of the parties.

(1) ADR Referral Procedures.

Upon referral to ADR, the judge will order parties and their counsel to meet with or contact court ADR staff to discuss their ADR options and the court's ADR program.

The Court expects parties to complete ADR within 60-90 days after the initial referral to ADR, unless otherwise ordered or good cause is shown to dispense with this requirement.

(2) Stipulation and Order to ADR.

Parties shall, within 21 days of the date of the referral to ADR, file a completed Stipulation and [Proposed] Order to ADR with the court. The Stipulation shall include the name of the neutral, the date of the ADR session and the names of those who will attend. A copy of the Court's standard probate Stipulation form is available at the probate counter in the Clerk's Office, on the court's website or by contacting the ADR Department.

Superior Court of California, County of San Mateo

E. Sanctions: Failure to comply with local rules may result in sanctions under the Superior Court of California, County of San Mateo Local Court Rule 0.2.

F. Venue for Probate Cases

All proceedings under the Probate Code are to be filed with the Probate Division's Clerk's Office at the Hall of Justice, 400 County Center, first floor, Room B, Redwood City, California. All Probate Court proceedings will also be heard at the Southern Division in Redwood City, California, unless otherwise ordered by the Presiding Judge or a designated Supervising Judge pursuant to Local Rule 6.9.

Rule 4.2 Hearing

A Hearing Schedule. As of January 1, 2004, Probate matters will be heard on Monday, Tuesday, Wednesday and Friday in the designated Probate Department at 9:00 a.m. Please check with the Court Clerk's Office, Probate Division or the Court's website at www.sanmateocourt.org for future schedule changes. There is no regular probate calendar on Thursdays. LPS conservatorship matters are heard by the court on Wednesday in the designated Probate department at 11:00 a.m.

B Probate Calendar. The regular probate calendar sets only a limited number cases on cases each day (approximate 15 to 20). Counsel may request/set the date of the hearing on the moving papers. If the requested date is unavailable, the clerk shall calendar the hearing date to the next earliest available hearing date. The clerk's office shall notify the attorney of record of any such resetting.

C. Advancing Hearing Dates/ Orders Shortening Time. If a probate matter cannot be heard on the date requested due solely to the fact that the court's calendar is full, counsel/self-represented parties may make ex parte application to the court to advance the hearing upon a demonstration of good cause. Probate matters may be heard on less than the statutory required notice only upon the issue of an Order Shortening Time (OST) by the court. OST's may be obtained ex parte upon notice and a demonstration of good cause.

D. Telephonic Appearances

(1) Telephonic appearances on the probate calendar are governed by California Rules of Court, Rule 3.670.

(2) Judicial Approval. Telephonic appearances through the use of an independent vendor, currently CourtCall, are permitted at certain probate hearings. Telephonic appearances are not permitted for initial conservatorship and guardianship appointments (Probate Code, §1514, §1825), petitions for Temporary Restraining Orders (e.g., elder abuse cases) or any other matters within the court's discretion. See Rule 4.6

(3) Procedure. A party wishing to make a telephone appearance that has been permitted by the court must serve and file a Request for Telephone Appearance Form with CourtCall not later than 4:30 p.m. on the first court day prior to the appearance. Copies of the Request For CourtCall Appearance form and accompanying information sheet are available in the Clerk's office. There is a fee to parties for each CourtCall appearance and fees are paid directly to CourtCall. CourtCall will fax confirmation of the request to parties.

On the day of the hearing, counsel and parties appearing by CourtCall must check-in five minutes prior to the hearing. Check-in is accomplished by dialing the courtroom's dedicated toll-free

teleconference number and access code that will be provided by CourtCall in the confirmation. Any attorney or party calling after the check-in period shall be considered late for the hearing and shall be treated in the same manner as if the person had personally appeared late for the hearing.

(4) Referral to ADR. At the hearing, parties may be referred to an appropriate dispute resolution (“ADR”) process (e.g., mediation, arbitration or neutral evaluation). If parties are referred to ADR, they must redial the dedicated toll-free teleconference number immediately following their appearance and use a second CourtCall access code to telephonically appear at the ADR referral meeting with court ADR staff. If a case has been referred to ADR, a party’s court appearance is not complete until they have also telephonically appeared at the mandatory ADR referral. See also ADR Rule 4.01

(Adopted, effective July 1, 1996; Amended, effective January 1, 2003; Amended, effective July 1, 2004, Amended, effective July 1, 2006) (Amended, effective January 1, 2007)

Rule 4.38 Compromise of Claims

CHAPTER 8. SALES

I. GENERAL INFORMATION

Rule 4.39 Judicial Approval

For estates being administered pursuant to the I.A.E.A., judicial approval of sales or exchanges of real or personal property is no longer required (Sections 10500 - 10503). For estates not being administered pursuant to the I.A.E.A., confirmations of sales are still required. If the personal representative of an estate being administered pursuant to I.A.E.A elects to follow Court supervised procedures, then the sale of real property shall be preceded by statutory notice of sale pursuant to Sections 10300, et seq.

(Adopted, effective July 1, 1996, Amended, effective January 1, 2000)

Rule 4.40 Exclusive Listings for Sale of Property

Section 10150 is authority for a personal representative acting under I.A.E.A. to enter into an exclusive agreement to sell real property without prior court approval. At the hearing on confirmation of sale, the Court will determine the commission (without regard to the terms of the exclusive agreement) and the allocation of it between the brokers involved in the sales.

(Adopted, effective July 1, 1996)

II. SALES OF PERSONAL PROPERTY

Rule 4.41 Tangible Personal Property (Probate Code Sections 10250 - 10264)

A. Necessity for appraisal: For estates subject to the I.A.E.A., sales of personal property may be made without Court approval. In all other cases the sale of tangible personal property will ordinarily not be approved unless the property has been appraised. For this purpose, a partial inventory and appraisal may be filed or a letter appraisal may be obtained from the appointed probate referee.

B. Commissions: Commissions on sales of tangible personal property will be allowed only to individuals holding a license authorizing them to deal in the type of property involved. A commission will be allowed on the original bid only when the commission is requested in the return of sale. When there is an overbid in court, a commission may be allowed to the successful broker, and, if the original bid was subject to a commission, apportionment between the brokers will be made according to the same rules as prescribed for real estate sales. The amount of the commission is within the Court's discretion and will not ordinarily exceed a total of 5 percent of the sale price.

(Adopted, effective July 1, 1996)

Rule 4.42 Securities

Where proceeding under Section 10200, the petition for authority to sell must set forth a minimum sales price as to all securities except those listed on an established exchange. The minimum price must be a recent market quotation from the over-the-counter market, or if there is no recent market quotation available or the securities are "closely held," the petition must set forth the basis for fixing the minimum sales price.

(Adopted, effective July 1, 1996)

Rule 4.43 Condominiums, Community or Cooperative Apartments

A condominium is an interest in real property and must be sold as such, unless it is held as a limited partnership. A community or cooperative apartment is personal property and must be sold as such. However, the overbid on such assets will be computed on the same basis as in sales of real property, and brokers' commissions will be allowed on the same basis as in sales of real property.

The sale of a cooperative apartment will not be confirmed subject to the purchaser later obtaining the acceptance of a Board of Directors or other governing body; therefore, the prospective purchaser should obtain acceptance before seeking court confirmation.

(Adopted, effective July 1, 1996)

III. RETURN OF SALES OF REAL PROPERTY

Rule 4.44 Publication of Notice of Intention to Sell Real Property

A. Procedure: Notice shall be published (pursuant to section 6063 (a) of the Government Code unless the Court grants an order shortening time) in all decedents' estates, except those in which there is a power of sale in the will, or those estates administered with full authority under the I.A.E.A. If the personal representative of the estate being administered under I.A.E.A. elects to follow Court supervised procedures, then the sale shall be preceded by statutory notice of sale pursuant to Section 10300 et seq. In all guardianships, conservatorships and court-supervised trusts except those in which the power of sale has been previously granted by the Court the sale shall be preceded by statutory notice of sale. Notice of sale shall be published in a newspaper published in the county in which the real property lies.

If an executor or administrator having power of sale publishes a notice of sale of the real property and proceeds with the sale thereunder, and later a technical defect appears, the defect cannot be cured by exercising the executor's or administrator's power of sale. The executor or administrator must publish a new notice.

B. Contents of Notice: In addition to a legal description of the property, the notice should contain the street address or other common designation of the property, when available. If an exclusive listing has been given, the notice should so state. If the property is to be sold subject to an encumbrance, the notice should so state.

If property is to be sold for cash only, the notice must so state. If the estate would prefer all cash but will accept part cash and part credit, the notice should include the following language: "All cash, or part cash and part credit, the terms and conditions of credit as are acceptable to the fiduciary and the Court.

Effect of Notice: Any offer accepted and returned to court for confirmation cannot be at variance with the terms of sale contained in the notice.

(Adopted, effective July 1, 1996, Amended, effective January 1, 2000)

Rule 4.45 Return of Private Sale

- A. Appraisal and Reappraisal: In order for a private sale to be confirmed, there must be on file an appraisal of the property or a reappraisal for purposes of sale if the decedent's death or guardian's or conservator's appointment occurred more than one year before the date of the private sale. The appraisal or reappraisal should be on file prior to the hearing date on the return or may be presented at the hearing.
- B. Market Exposure of Property: Whenever it is brought to the attention of the Court that the fiduciary has denied bona fide prospective buyers or their brokers a reasonable opportunity to inspect the property, the returned sale will not be confirmed, and the sale will be continued to allow inspection.
- C. Second Deeds of Trust: The Court will approve the taking of a promissory note secured by a junior deed of trust upon a showing that it serves the best interests of the estate.
- D. Hearing on Return of Sale and Overbid: Counsel must be prepared to state the minimum necessary overbid, computed at the rate of 10 percent of the first \$10,000, and 5 percent on the balance of the sale price. Counsel should inform the original purchaser or his agent of the time and place of hearing and advise that they be in court for the hearing.
- E. Application of Statutory Formula re Overbid: The Court must consider not only whether the bid is arithmetically the highest, but also whether it is best. Counsel or the parties involved should be prepared with factual information that will aid the Court in making this determination.
- F. Earnest Money Deposit by Bidder: No bid for the purchase of real property will be acceptable unless accompanied by a minimum deposit of 10% of the amount bid in cash or its equivalent. When an overbid is made in court, the over bidder must submit 10% of his overbid in cash or its equivalent at the time of the hearing on the return of sale.
- G. Overbid Form: The Courtroom Clerk will give counsel a form to be completed on the overbid. This form is to be returned to the Clerk before the end of that morning's probate hearings.
- H. Bond: The petition for confirmation of sale of real estate should set forth the amount of the bond in force at the time of sale and the amount of property in the estate which should be covered by bond. If no additional bond is required, or if bond is waived, that fact should be alleged.
- I. Absence of Attorney for Estate at Confirmation Hearing: If someone is present who wishes to overbid and the estate's attorney is absent from the hearing, the hearing will be continued for one week, except where the fiduciary is present and requests that the sale proceed without the attorney.

(Adopted, effective July 1, 1996)

Rule 4.46 Broker's Commissions

- A. Improved Property: The Court will ordinarily allow a broker's commission not to exceed 6 percent of the first \$200,000, 5 percent of the next \$300,000, and 4 percent of the balance of the sale price. The parties may agree to a lesser percentage.
- B. Unimproved Property: The Court will ordinarily allow a broker's commission not to exceed 10 percent of the first \$100,000, 8 percent of the next \$200,000, and 5 percent of the balance of the sale

price. In the Court's discretion, a flat 10 percent may be allowed. In each instance, the Court will determine what is "unimproved" real property.

C. Order Must Show Commission Allocation: The order confirming sale must show the total commissions allowed and any allocation agreed on between brokers. (For examples of allocation of commissions, see Appendix A.)

D. Commission Rates at Property Situs Will Apply: Where the property is not located in San Mateo County, the Court will allow commissions based on the San Mateo County Probate Court schedules unless it is shown that a larger commission would be allowed based on the schedule in effect in the Probate Court of the County in which the property is located.

E. Broker Bidding for Own Account not Entitled to a Commission: A broker bidding for his own account is not entitled to receive or share in a commission. Estate of Toy 1977, 72 Cal. App. 3d 392.

(Adopted, effective July 1, 1996)

Rule 4.47 Broker's Commissions in Overbid Situations

A. Original Bidder and/or over bidder represented by Broker: Commissions are governed by Probate Code Sections 10161 through 10166. See also the Law Revision Comments following those sections.

B. Original Bidder as over bidder: Once a net bid has been overbid in court, the original bidder may elect to be represented by a broker in further bidding.

(Adopted, effective July 1, 1996)

CHAPTER 10. DISTRIBUTION OF PROBATE ESTATE

Rule 4.55 Description of Assets

The petition for distribution, whether or not an account is waived, must list assets on hand and list and describe the property to be distributed, either in the body of the petition, by a schedule in the accounting, or in a separate exhibit incorporated in the petition by reference. Description by reference to the inventory is insufficient. Real property shall be described by legal description in the body of the decree of distribution.

(Adopted, effective July 1, 1996)

Rule 4.56 Asset Distribution

The petition for distribution must state specifically how the estate is to be distributed. A general allegation that distribution is "in accordance with the terms of the will" or "in accordance with the laws of intestate succession" is insufficient.

The petition must show the computation on which the proposed distributions are based.

Whether or not an accounting has been waived, the decree of distribution must set forth specifically the manner in which the estate is to be distributed by showing the distributee's name and a description of the property or cash, including bank account location, number and amount, to be distributed. Mere reference to the allegations of the petition is insufficient and not acceptable to the Court.

(Adopted, effective July 1, 1996)

Rule 4.57 Allegation re Character of Assets

Whether the decedent died testate or intestate, the petition for distribution must contain an allegation as to the separate or community character of the property in all cases where the character of the property may affect distribution.

(Adopted, effective July 1, 1996)

Rule 4.58 Agreements for Distribution of Assets

If distribution is to be other than according to the terms of the will or the laws of intestate succession, there must be on file a written agreement signed by all parties affected by the distribution.

(Adopted, effective July 1, 1996)

Rule 4.59 Assignment of Assets

If distribution is to be made to an assignee of an heir, devisee or legatee, the assignment and the terms thereof must be on file. (See Section 11604.)

(Adopted, effective July 1, 1996)

Rule 4.60 Allegations re Heirs of Predeceased Spouse When Decedent Dies Intestate

If an intestate decedent leaves neither issue nor surviving spouse and the decedent had a predeceased spouse, the petition must either set forth the names, addresses and line of blood relationships of the heirs who take by virtue of Sections 6402 and 6402.5 or affirmatively allege that there is no heir who takes by virtue of either section.

(Adopted, effective July 1, 1996)

Rule 4.61 Distribution to Persons Under Conservatorship or Guardianship

The decree should provide for distribution of the property to the minor or the conservatee rather than to the guardian or conservator, but must provide that actual payment or delivery be made to the guardian or conservator.

(Adopted, effective July 1, 1996)

Rule 4.62 Distribution to Minors

Where delivery of the assets is to be made to the minor's parent pursuant to Section 3401, the declaration by complying with the provisions of that section must be on file before the decree is signed.

Where a depository is to be used, the receipt and agreement of the depository must be filed as required under Section 2328.

If distribution is made to a custodian under Section 3900 et seq., a declaration complying with the appropriate section thereunder must be on file.

(Adopted, effective July 1, 1996)

Rule 4.63 Distribution to Representative of Deceased Heir or Beneficiary

When an heir or beneficiary dies during the administration of an estate, the decree shall provide for distribution to the personal representative of his estate (Sections 11801 and 11802) or, where applicable to the person(s) entitled thereto under Sections 13100-13105.

(Adopted, effective July 1, 1996)

Rule 4.64 Distribution to Intestate Heirs

The relationship of heirs who take by intestacy shall be sufficiently described to permit the Court to determine whether the laws of intestate succession have been properly applied. If an heir takes by right of representation, the petition must indicate parentage and the approximate date of the parent's death.

(Adopted, effective July 1, 1996)

Rule 4.65 Interest on General Pecuniary Legacies

The Court will strictly enforce the policy set forth in Sections 12000 - 12007 and Estate of Hubbell (1932) 216 Cal. 574, and will order payment of interest at the statutory rate on all general pecuniary legacies not paid within one year from the date of decedent's death unless payment of interest is waived in the will.

(Adopted, effective July 1, 1996)

Rule 4.66 Requirements re: Final Distribution

A. Allegations re Creditor's Claims: The petition for final distribution (whether or not on waiver of accounting and whether or not the personal representative is acting under the I.A.E.A.) must list all creditors' claims presented and indicate the disposition of each claim. If any claim has been rejected, the date of service of notice of rejection must be stated, as well as its disposition, whether by suit or otherwise. This information must be set forth in the petition for final distribution even though it may have been presented to the Court in whole or in part in prior accountings or petitions for distribution.

B. Allegations relating to Independent Acts: The petition for final distribution must list and describe all independent acts taken without prior court approval and must contain an allegation that the 15-day advice of proposed action was waived or duly served when required and that no objections were received. Sections 10587 - 10591. The originals of the advice of proposed action with attached declarations of mailing must be available but need not be filed with the Court. If certain acts have been properly reported in a prior petition for distribution, they need not be repeated.

C. Retention of a Reserve: The decree of final distribution must specifically set forth the use that may be made of retained funds (e.g., income taxes, closing costs, etc.).

D. No petition for final distribution will be accepted for filing or considered by the Court unless an inventory and appraisal marked final or complete has already been filed.

E. No petition for distribution will be granted whereby any portion of an estate is distributed to a nonresident, without a certificate from the Franchise Tax Board where required by law because of the

value of the estate or the assets distributable to such nonresident. See Revenue and Taxation Code §19513 and applicable regulations for dollar amounts.

(Adopted, effective July 1, 1996, Amended, effective January 1, 2000)

Rule 4.67 Tax Procedures re Final Distribution

The petition for final distribution must address the question of the source of the payment of the federal estate tax and California estate tax, if any. If the will has a clause directing the payment of the taxes out of the residue of the estate, this should be so alleged. If, on the other hand, there is no tax clause or there is a tax clause which does not direct the source of payment, the amounts required to be prorated or charged must be stated.

(Adopted, effective July 1, 1996)

Rule 4.68 Preliminary Distribution Under Section 11621

In addition to the requirements contained elsewhere in this chapter, the petition must state the approximate net value of the property remaining in the estate after the proposed distribution and an estimate of the total amount of unpaid taxes, unpaid claims and other liabilities. The Court prefers an inventory and appraisal which includes the property to be distributed be on file.

(Adopted, effective July 1, 1996, Amended, effective January 1, 2000)

CHAPTER 11. MISCELLANEOUS PETITIONS AND ORDERS

- (2) Whether others are entitled to family allowance;
- (3) The approximate needs of the applicant, with reference to his or her standard of living and
- (4) The applicant's income from other sources.

B. Duration of Family Allowance. All orders will limit family allowance to a definite period of time. If the order is on an ex parte petition, family allowance will normally not be granted for a period exceeding six months.

C. Under Section 6540(a): Before an inventory is filed, an order for a family allowance under Section 6540(a) may be made or modified ex parte or on noticed hearing; after an inventory is filed, such an order may be made or modified only on noticed hearing, as provided by Section 6541(b).

D. Under Section 6540(b): An order for a family allowance under Section 6540(b) may be made or modified only on noticed hearing, as provided by Section 6541(c).

(Adopted, effective July 1, 1996)

Rule 4.70 Borrowing Money (Sections 9800 - 9807)

A. Inventory Must Show Security: If the loan is to be secured, an inventory describing the security must be on file prior to the hearing.

B. Bond Requirements: The petition under Section 9800 must state whether the personal representative is serving with or without bond. If with bond, the Court must be advised -- either in the petition or by supplemental declarations filed before the hearing, or by testimony at the hearing -- as to the necessity for an increase in the bond.

(Adopted, effective July 1, 1996)

Rule 4.71 Operating a Business (Section 9760(c) and (d))

A separate order prescribing the notice to be given under Section 9760(c) and (d) must be presented to the Court before the petition is filed. The Court may prescribe any reasonable notice, but does not have the power to dispense with notice. Ordinarily, the Court will prescribe that at least 15 days' notice must be given to the principal creditors and beneficiaries who might be affected.

(Adopted, effective July 1, 1996)

Rule 4.72 Determining Title to Real or Personal Property (Section 9860)

(Adopted, effective July 1, 1996)

Rule 4.73 Substitution or Withdrawal of Attorney

(Adopted, effective July 1, 1996)

Rule 4.74 Obtaining Final Discharge

To assist the Court in determining whether final discharge should be ordered, counsel shall submit to the Court, along with the declaration and order for discharge, a copy of the judgment of final distribution and of all receipts of the distributees. The "order" portion shall be completely filled in except for the date and name of the judge.

(Adopted, effective July 1, 1996)

Rule 4.75 Proceedings to Establish Fact of Death (Sections 200-204)

A. Filing Under Name of Decedent: A petition to establish the fact of death must be filed in the name of the deceased person whose interest is to be terminated.

B. Separate Petition Preferred: Although Section 202(b) authorizes a petition to establish the fact of death to be included in a verified petition for probate of will or for letters of administration (but does not

authorize such a petition to be included in any other petition, such as a petition for final distribution), for convenience of administration, attorneys are encouraged to file the petition as a separate petition.

C. Description of Property: If the property affected is realty, a copy of the document showing the decedent's interest must be attached to the petition and incorporated therein, or the verified petition must set forth the entire instrument vesting title, including the recordation data. If the property affected is personalty, the location and description of the property and the decedent's interest therein must be set forth with particularity.

D. Attorneys' Fees: There is no provision in the Probate Code for allowance of attorneys' fees in proceedings to establish the fact of death. The attorney should make fee arrangements directly with the client.

If a surviving joint tenant failed during his lifetime to establish the fact of death of a previously deceased joint tenant, an extraordinary fee may be awarded in the probate proceeding involving the surviving joint tenant for those services performed after the death of the surviving joint tenant.

(Adopted, effective July 1, 1996)

CHAPTER 12. GUARDIANSHIPS AND CONSERVATORSHIPS

Rule 4.76 Temporary Conservatorships

On those days that the Probate Presiding Judge is not available, the petitioner shall present his/her petition to the court's Presiding Judge or the judge designated to hear ex parte matters. It is recommended that an appointment for review of the documents by the Court Investigator be made before submission to the clerk by calling 363-4351. After the Court Investigator's review of the papers, a recommendation will be made to the Court that will accompany the petition to be presented to the judicial officer for review and ruling.

Superior Court of California, County of San Mateo

C. Grounds: The emergency nature of the facts which are alleged as good cause for the appointment must also be alleged. Petitions must be signed by the petitioner(s). (California Rules of Court, Rule 7.103.)

D. The Court may in certain cases require a bond of a temporary conservator of the person.

E. Notice: Notice of the ex parte hearing must be given to the proposed conservatee (Probate Code, Section 2250) and the persons listed in Probate Code, Sections 1821 and 1822. Rule 4.81.13 Exclusive Authority to Give Medical Consent.

A. If the conservatee has been adjudicated to lack the capacity to give informed consent for medical treatment pursuant to Probate Code §2355, the conservator may be granted the exclusive authority to give such consent and may give such consent over the objection of the conservatee. Exclusive authority to give consent for medical treatment can be requested at the time of the initial petition for conservatorship (GC-310) or at a later time by a separate petition (GC-380). Clear and convincing evidence must be shown that the conservatee lacks the capacity to give informed consent to any medical treatment. General mental confusion, disorientation, etc. will not alone support an order for exclusive medical authority. Such authority will be granted if the court finds that the conservatee lacks the capacity to give consent, and only if the following conditions are satisfied:

1. Court Investigator Report: It clearly appears from the court file that a Court Investigator has advised the conservatee of the effect of granting such authority and of the conservatee's rights in regard to such request.
2. Physician's Decision: A physician's declaration is filed stating a medical opinion that the proposed conservatee lacks the capacity to give informed consent to any medical treatment and that the proposed conservator should be granted the exclusive authority to give such consent and to consent over the objection of the proposed conservatee. Such declaration must state the factual basis for the opinion and the nature and extent of the physician's examination and investigation.

B. Conservatee Regains Capacity: If a conservatee regains sufficient capacity to give informed consent to any form of medical treatment, the conservator shall promptly petition, pursuant to Probate Code Section 1891, to revoke any previous order granting the conservator exclusive authority to consent to medical treatment on behalf of the conservatee.

**DIVISION V
FAMILY LAW DEPARTMENT AND FAMILY COURT SERVICES**

Rule 5.1 Applicability of Rules

Family law proceedings are governed by the California Rules of Court as supplemented by these local rules of the San Mateo County Superior Court. These rules are intended to provide uniformity of practice and procedure among all departments involved in family law matters. These Rules shall at all times be supplementary and shall be construed and applied so they do not conflict with the California Rules of Court, and any rules adopted by the Judicial Council, and relevant case and statutory law.

Attorneys and self-represented litigants (also known as pro pers) shall comply with all applicable statutes in addition to these local family law rules and the California Rules of Court. Where these rules refer to Superior Court forms, the equivalent Judicial Council forms shall also be accepted.

Self-represented litigants shall be treated in the same manner as if represented by counsel and shall be held to the same standards. All references to counsel in these rules apply equally to self-represented litigants.

(Adopted, effective January 1, 2000)(Amended, effective January 1, 2004)

Rule 5.2 Court Locations

The Family Law Department is located at the Court’s Southern Division at the Hall of Justice and Records, 400 County Center, Redwood City, California. All Family Law proceedings shall be filed at and shall be heard at the Southern Division in Redwood City, California, unless otherwise order by the Presiding Judge or a designated Supervising Judge pursuant to Local Rule 6.9.

(Adopted, effective January 1, 2000) (Amended, effective January 1, 2004; effective January 1, 2013)

(Adopted, effective January 1, 2000)

Rule 5.4 Case Flow Management

A. Case Assignment: Commencing January 1, 2004 the Family Law Department will operate under a Direct Calendar system. Cases shall be randomly assigned to a Family Law Department. For matters filed prior to the commencement date, the Court in its sole discretion will randomly assign a case to a department upon the filing of the first pleading requiring a hearing, conference, or trial.

1.Exceptions: Cases required to be heard by a Title IV-D commissioner pursuant to Family Code §4251 shall not be subject to random assignment.

2.Applications for restraining orders pursuant to Family Code §6200 et seq. shall be reviewed by various departments and assigned to a judicial officer hearing the Domestic Violence Prevention Act calendar unless there is a pending family law action. If an application for a restraining order arises in a pending case, the matter shall be reviewed by the previously assigned department and heard on the appropriate calendar for that department.

B. Assignment for all purposes: The assigned department shall handle all proceedings in the case, including but not limited to, orders to show cause, ex parte applications, request for orders, law and motion, status, and settlement conferences, and trial. Post-judgment motions for enforcement and/or modification should also be heard in the initial department whenever possible. If the assigned department is disqualified, recuses itself, or there is a change in assignments, the case shall be re-assigned to another Family Law Department. Nothing herein shall be construed to interfere with the power of the supervising family law judge to assign or reassign cases pursuant to California Rules of Court.

C. Notice of Assignment: The clerk of the Court shall provide a Notice of Assignment to the petitioner in a new case filed after January 1, 2004, and to the moving party in a pending case filed prior to the commencement date upon filing of the first pleading requiring a hearing, conference, or trial. The petitioner/moving party must have the respondent/opposing party served with a copy of the Notice of Assignment. A proof of service shall be filed with the Court. The Clerk will place a copy of the Notice of Assignment in the Court file.

D. Challenges to the Assigned Department: Disqualification of a department is controlled by the “all purpose” provisions of Code of Civil Procedure §170.6 and as such a challenge is considered timely to the judicial officer to whom the case has been assigned if the challenge is exercised by the Petitioner or moving party within ten days of the filing of the Petition for cases filed after the commencement date, and within ten (10) days of the filing of the first pleading requiring a hearing, conference or trial for cases filed prior to the commencement date. The responding party has ten (10) days after service of the Notice of Assignment to assert a challenge under Code of Civil Procedure §170.6.

E. Cases Assigned to Commissioners:

1. In some proceedings assigned to a Family Law department the parties may be asked to stipulate that their matter be heard and decided by a commissioner of the Superior Court, acting as a temporary judge pursuant to Code of Civil Procedure §259(e) and Rule 2.831
2. A party will be deemed to stipulate that all matters heard in the Family Law Department may be heard and disposed of by a Commissioner, including the power to punish for contempt, until final determination of the case, by failing to file an objection in writing within thirty (30) days after service on the party of the Notice of Assignment, or at the first hearing on a motion heard in the Family Law Department, if heard before the expiration of the thirty (30) days.
3. Except as otherwise provided for in Family Code section 4251, the refusal of a party to stipulate to a commissioner acting as a temporary judge may result in the referral of the matter to the supervising judge of the Family Law Department or the Presiding Judge for further assignment.

F. Consolidated Cases

If the court consolidates a case, the case of broader jurisdiction, or the lower family law case number, (if the cases are of equal jurisdiction) shall be designated as the lead case and originals of all papers thereafter filed shall be placed in the lead case file (California Rules of Court, Rule 3.350). Any hearing date in any case other than the lead case shall be vacated and reset, and all future hearing dates will be noticed under the lead case number.

(Adopted, effective January 1, 2000) (Amended, effective January 1, 2003) (Amended, effective January 1, 2004) (Amended,, effective January 1, 2005) (Amended, effective January 1, 2007)(Amended, effective January 1, 2009) (Amended, effective July 1, 2012)

Rule 5.5 Ex Parte Orders

(Adopted effective January 1, 2000) (Renumbered as Rule 5.6 and Amended, effective January 1, 2004)

Rule 5.5 Alternative Dispute Resolution

A. ADR Policy: California Rules of Court and the Family Law Act strongly encourage alternative dispute resolution (ADR) of family matters. The Family Law Department recognizes that formal litigation of legal claims and disputes is expensive and time consuming. The goals of this Court are: to reduce hostilities between the parties; facilitate the early resolution of issues; and provide parties with an opportunity to maximize their satisfaction with the resolution of their case. It is therefore the policy of this Court to promote and encourage the parties to settle their disputes by the use of appropriate dispute resolution options which include mediation, arbitration, collaborative law, court supervised settlement conferences and/or judicial case management.

B. Requirements for filing and service of the Notice of ADR Options In Family Law Actions: Each party to a family law action shall be informed of the alternatives to litigation to resolve their disputed issues. Notice shall be in the form of an information sheet entitled “Notice of ADR Options” (hereinafter “Notice”) (see Local Court form FL-02). All parties and counsel shall file and have the Notice served on the other party with any Petition or Response under the Family Law Act or Uniform Parentage Act, Request for Order, Responsive Declaration to Request for Order, or other family law pleading which will result in a court hearing or trial, unless a Notice has previously been filed within the past 180 days. A Proof of Service shall be filed with the Court.

(1) Exceptions: This rule shall not apply to domestic violence cases filed under Family Code 6200 et seq., nor to Title IV-D child support actions involving the Department of Child Support pursuant to Family Code §§17400 and 17406 and/or those actions filed by the local child support agency pursuant to Family Code §4900 et seq. This rule shall not apply to Motions to Withdraw or to matters pending before a private judge. The Notice shall not be served on an employee pension benefit plan.

C. Except for temporary emergency court orders or an initial Request for Order filed with a Petition, no hearing or trial date shall be set by the Clerk of the Court until the moving party has complied with filing and service of the Notice as set forth in this Rule.

D. The Court's ADR program shall maintain a list of attorneys who possess the qualifications related to this Rule.

(Adopted, effective January 1, 2000) (Renumbered (*formerly Rule 5.4(c)*)) and Amended, effective January 1, 2004) (Amended, effective July 1, 2004) (Amended, effective January 1, 2010) (Amended, effective July 1, 2012)

Rule 5.6 Ex Parte Orders (except Requests for Emergency Orders under CRC, 5.151, et seq., please see Rule 5.6.1).

A. **Court's Policy.** Ex parte applications are strongly disfavored. Orders will be issued thereon only upon a substantial showing of need. An evidentiary declaration shall contain facts that demonstrate why the matter is appropriately heard as an ex parte matter, as opposed to being heard on the court's law and motion calendar (with or without an order shortening time).

B. **Ex Parte Applications.** The court requires strict compliance with the provisions of Code of Civil Procedure §1008, and the California Rules of Court, Rules 3.1200-3.1207. California Judicial Council Forms must be used where applicable. **The party seeking any ex parte order has an absolute duty to inform the court that a requested order will change the status quo.**

1. **Represented Parties.** Applications for ex parte orders in family law matters shall be presented to the judge assigned to the case for all purposes through the family law clerk's office at the Hall of Justice and Records in Redwood City.

2. **Self-Represented Parties.** Self-Represented parties seeking an ex parte order must present their papers to the Family Law Facilitator's office for review prior to submission to the assigned department. *After review of the Ex Parte papers by the Family Law Facilitator's office, the self-represented party will be directed to the Family Law Clerk's Office to file their Ex Parte papers and for assignment by the Family Law Supervising Judge to a department for review and determination.*

3. **Ex Parte Applications.** Ex Parte Applications, where there is no pending Family Law case and a party is represented by counsel, shall be submitted to the Family Law Clerk's office and will be assigned a department by the Family Law Supervising Judge, for review and determination.

4. **Filing Fees.** *All parties are required to pay all applicable filing fees associated with filing Ex Parte Applications as required by law, unless the party has obtained a Fee Waiver Order. The filing fee must be paid prior to the party going to the appropriate Department for review and determination of their Application. [Changes indicated in bold and italicized]*

C. Application and Supporting Documentation. It is the court's policy to decide ex parte applications solely based on the affidavits/declarations submitted in favor of, or in opposition to, the applications. All affidavits or declarations must set forth factual information within the personal knowledge of the affiant/declarants. Conclusions, feelings, wishes, or unsubstantiated fears will not justify an order. Counsel or a party will not be permitted to augment affidavits or declarations by statements in court. If the affidavit or declaration does not contain a sufficient factual basis for a particular order, it will not be granted.

D. Declaration Regarding Noticing of Ex Parte Application. An application for an ex parte order must be accompanied by a written affidavit or declaration that shall include the following information [See Local Form FL-8]:

- 1) Information on whether the opposing party is represented by counsel; and
- 2) The name, address, and telephone number of the opposing attorney or the opposing self-represented party; and
- 3) Explanation of how notice of submitting the application was given to the other party pursuant to California Rules of Court 3.1203-3.1204 by either:
 - a) Providing the date, time and manner of giving notice; or
 - b) Specifying reasons why notice has not been given.

This rule applies to initial applications whether or not the other party has appeared in the proceedings or is represented by counsel.

E. Notice Requirements-Generally. Ordinarily, an ex parte application will not be considered nor an order issued without the following:

1. Give reasonable notice of the filing of the ex parte application to the opposing party so that the party might oppose the application. Reasonable notice is defined according to the California Rules of Court, Rules 3.1203- 3.1204 as notifying all parties no later than 10:00 a.m. the court day before the ex parte is considered by the court. The court may waive this notice requirement in extraordinary circumstances if good cause is shown that imminent harm is likely if notice is provided to the other party.
2. Absent good cause, the Ex Parte application and all documents in support of the application must be delivered to all of the other parties at the same time when Notice is given, as specified in paragraph E.1 above. Delivery of the documents can be achieved by either personal delivery or facsimile transmission. Delivery of the documents cannot be made by facsimile alone unless there is prior agreement between the parties, which is set forth in the moving party's declaration. If served by facsimile transmission, the moving party shall include in their declaration evidence that the opposing party or their counsel actually received said transmission during normal business hours.
3. The moving party shall notify the opposing party of the specific date, time and location the ex parte application will be submitted to the court.
4. Responding/opposing attorneys or self-represented parties shall submit and serve their written response to the party seeking the ex-parte relief and to the court within 24 hours of receiving notice of the Ex Parte Application. The Court will notify the parties if it requests an expedited response, which may occur in some instances.
5. Notwithstanding the failure of an applicant to comply with the requirements as set forth in this Rule, the clerk must not reject an ex parte application for filing and must promptly present the application to the appropriate judicial officer for consideration.

F. Notice Requirement – Emergency Circumstances. If the moving party alleges that notification may negate the benefit of the requested relief, ex parte relief may be granted without the required notice if the necessary statutory requirements have been met. The Declaration of Notice shall set forth the factual basis upon which such claim is based. This includes an adequate showing that giving notice would frustrate the purpose of the proposed order or that the applicant would suffer immediate and irreparable injury before the adverse party can be heard in opposition.

G. Excuse of Notice Requirement. Notice may be excused if, following a good faith attempt, the giving of notice is not possible or if notice ought not to be required. All of the foregoing must be established by declaration accompanying the Application.

H. Exceptions to the Notice Requirements. Requests for the following types of ex parte relief do not require notice to the opposing party or the opposing party's counsel:

1. Signature of an order or judgment for which opposing counsel has approved or agreed not to oppose entry;
2. Signature of an order or judgment after default proceedings;
3. Wage and earning assignment orders for support orders made on or after July 1, 1990 (Family Code §5230). Earning assignment orders may be granted ex parte for support orders made on or after July 1, 1990 by submitting the assignment order separately or with the underlying support order or judgment.
4. Ex parte assignment orders for arrearages accrued under any support order may be requested by completing a detailed declaration and calculation, signed under penalty of perjury, setting forth the month to month accrual of amounts paid and unpaid. Ex parte assignment orders for arrearages are granted without prejudice to subsequent attack by a motion to quash.
5. Orders to locate prepared by the Department of Child Support Services.
6. Order for the restoration of a former name.
7. Order for payment through the Department of Child Support Services.
8. Request for a child protective services report for a minor child requested by Family Court Services.

I. Application for Ex Parte Temporary Custody Order. A party requesting an ex parte custody order shall, by affidavit/declaration, accurately describe the provisions of any existing order, the current custody arrangement, the requested relief, the immediate harm or irreparable injury, and the status of any referral to any law enforcement agency or child protective services.

J. Order Shortening Time for Hearing and/or Deposition. When requesting an order shortening time for hearing and/or taking of a deposition, the supporting evidentiary declaration(s) must set forth the necessity for the order shortening time. For good cause shown, time for service may be shortened up to two court days before the hearing date and five calendar days before the taking of a deposition.

K. Stay Away From Residence Orders. Ex parte residence exclusion orders will not be issued unless there is a clear showing, under Family Code §6321, of assault against and/or threats to assault the party, or a person under the control of the party, that such party has a right to possession of the premises, and that physical or emotional harm would otherwise result. The showing must include a full description

of the most recent instance(s) of actual assault, or threats to assault, disposition towards violence, substance abuse or other such facts, and shall specify the date of each occurrence.

L. Exclusive Use of Vehicle. An ex parte order granting exclusive use of a vehicle ordinarily will not be granted unless a declaration demonstrates a true emergency and specific facts to support the order, including a discussion of the relative hardships to the parties and a compelling need for the order. Whenever possible, any request for orders with respect to a vehicle should include the year, make and license number of the vehicle.

M. Set Aside of Ex Parte Order. If a responding party requests an ex parte order to be set aside prior to the date set for hearing, notice shall be given to the moving party. The court may order an earlier hearing date or modify the orders on a proper showing in lieu of setting aside the orders.

N. Time and Place. Ex Parte Applications will be considered by the Supervising Judge of the Family Law Division, or designee, at 2:00 PM Monday through Friday, except for court holidays.

Rule 5.7 Order to Show Cause, Notice of Motion, and Request for Orders Rules

A. Moving and Responsive Papers

1 Moving Papers: All moving papers must be prepared, filed with the court clerk, and served in accordance with the applicable provisions of Special Rules for Trial Courts Family Law, Code of Civil Procedure and Family Code. Papers not properly completed may be cause for the matter to be dismissed without prejudice. When an Order to Show Cause (OSC) or Request for Order is issued by the Court, it shall be signed by the court and filed with the court clerk before it is served.

2 Time for Serving Responsive Documents and Reply Documents: All papers responding to an Order to Show Cause or Request for Order shall so state in the caption. Such responsive papers shall be filed with the court and served no later than the ninth (9th) court day preceding the hearing. A party who has not filed a timely written response may be denied the opportunity to offer oral argument at the hearing. All papers filed in reply to a response to an Order to Show Cause or a Request for Order shall so state in the caption. All reply papers shall be filed with the court and served no later than the fifth (5th) court day prior to the hearing. Any papers not timely filed may not be considered by the court, absent a showing of good cause.

3. Extra Copies of Moving and Responsive Papers: Counsel are advised to bring an extra set of all relevant moving or responsive papers to the hearing. Due to last-minute filings and the volume of business, the court file may be incomplete at the time of the hearing.
4. Family Court Services Information Sheet: When filing a Request for Order regarding custody or visitation, whether disputed or not, the moving party must also complete a Family Court Services Information Sheet. (see Local Court form FCS-04) This is not to be filed with the court, rather submitted to Family Court Services at the time of the scheduled appointment.
5. Post-Judgment Request for Order: Service of post-judgment Request for Orders shall be pursuant to Family Code §215. However, Family Code §215 shall not apply to on-going matters where a judgment of dissolution of status has been entered, but further judgment on reserved issues is pending. [See CRC 5.92(a)(6)(A) and (C)].

B. Initial Calendaring: All motions and Orders to Show Cause shall be initially set on the law and motion calendar of the assigned family law department. The initial hearing date shall be assigned by the clerk's office at the time the matter is filed. Approximate setting dates are available on the updated clerk's office hotline at (650)599-1180 and may be requested on a messenger slip or other memorandum addressed to the clerk.

1. If temporary restraining orders pursuant to the Domestic Violence Prevention Act have been granted pending a hearing, the Clerk must set the hearing date within 25 days of the filing date. When mediation (child custody recommending counseling) at Family Court Services is required in these cases, the hearing will be calendared within 25 days of the filing date, but hearing on the custody and visitation aspects of the case may be continued to another setting unless a Family Court Services appointment is available at least 5 court days prior to the hearing.
2. If no restraining orders are requested and mediation (child custody recommending counseling) at Family Court Services is required, the hearing should be set at least 7 court days after the Family Court Services appointment.

C. Time Limits: Hearings on the law and motion calendar are limited to 20 minutes and are subject to further time limitations to accommodate the court's calendar. The time limit includes presentation of the case and reading of the file by the Court.

D. Transfer of a Matter Exceeding 20 minutes:

1. Transfer At Initial Hearing: If at the time of the first calendar appearance the court determines that the hearing in the matter will exceed 20 minutes in length, the matter may be continued by the Court to a Short Cause calendar in the assigned department.
2. Transfer Prior to Initial Hearing: If, after service of the Order to Show Cause, Notice of Motion, or Request for Order, but before the hearing date, both counsel and/or self-represented parties agree that the hearing of a matter will exceed 20 minutes, the matter may be transferred by the courtroom clerk in the assigned department to a Short Cause Calendar.

E. Continuances: A request for a continuance should be made at the earliest possible time prior to the hearing. A request by the moving party for continuance at the time of the hearing shall be looked upon with disfavor and in the absence of good cause, shall be denied. Once a matter has been set for hearing, no more than two continuances shall be granted unless good cause is shown. Absent good cause, if a case is not ready to proceed to hearing on the date established as a result of the second continuance the court

shall take the matter off calendar. Once approved, counsel should advise the assigned department of the continuance at the earliest possible date prior to the hearing.

1. Stipulated continuances prior to hearing: Requests for continuances should be directed to the clerk's office via facsimile, email or in person, until 12:00 Noon the court day before the scheduled hearing. If timely made, the Clerk will grant the continuance provided that:

- a. proper service was effected;
- b. the requesting party represents that all parties have agreed to a continuance;
- c. all parties have agreed to continue the matter to a specific date which is provided to the Clerk at the time of the request (counsel and parties are reminded that available dates may be obtained from the court's hotline (650) 599-1180);
- d. the parties send written confirmation to the Clerk by letter or using local court form "Stipulation and Order Re: Continuance"; and
- e. the proper fees have been paid or arrangements for payment have been made.

2. An appearance is required for stipulated continuances made after 12 Noon the court day prior to the hearing. Stipulated continuances may be obtained from the courtroom clerk in the assigned department before the calendar call. The court may also grant stipulated continuances at the calendar call. Parties may submit the local court form "Stipulation and Order Re: Continuance" to request a continuance.

3. If custody or visitation are at issue and the Family Court Services report is not available at least 2 days prior to the hearing, the court may grant a continuance upon request of a party who has been prejudiced by the inability to review the report sufficiently in advance of the hearing.

4. Continuances of Orders to Show Cause re: Contempt must be requested in open court (with the citee present), or obtained by written stipulation including a signed consent by the citee to the continuance. The stipulation shall be filed with the court at or before the time set for the original hearing. If the citee does not appear, upon request, a bench warrant will normally be issued and held until the new date to retain jurisdiction.

F. Conduct of Hearings:

1. Meet and Confer Requirements: Once responsive papers have been filed, the moving party shall contact the opposing party prior to the scheduled hearing and arrange to meet and confer (personally or by telephone) prior to the hearing. All parties and counsel are to make good faith efforts to resolve the issues pending before the court, and to inspect documents and exchange information so that issues may be resolved, facts agreed to by stipulation, and those issues remaining for determination be clearly delineated and expeditiously presented to the court at the time of the hearing. Failure to comply with the meet and confer requirements in good faith may result in the award of attorney's fees and/or sanctions against the non-cooperating counsel or party. The inability of counsel to get along or communicate effectively is not an excuse for failure to meet and confer. The professional obligation of counsel to meet and confer in an effort to resolve disputes is an obligation owed to clients, the court, witnesses, children, and other litigants. *This rule does not apply to harassment or domestic violence matters unless both parties are represented by counsel.*

2. Calendar Calls: The calendar for each session shall begin promptly at the appointed time and place designated on the notice of hearing. The supervising judge of the Family Law Department may change the times for calendar calls and notice thereof will be published in the legal newspapers in the county and/or posted outside the affected courtrooms.

3. Nonappearance at calendar call: If there is no appearance within 15 minutes of the calendared time for the hearing, the matter may be ordered off calendar or may be heard as an uncontested matter in the court's discretion. Counsel who will be engaged elsewhere at the calendar call or have an unavoidable conflict in another department should advise opposing counsel at the earliest possible time prior to the hearing. Counsel should notify the department(s) they will be appearing before, and request the court's accommodation and/or calendar priority prior to the calendar call at the check-in with the courtroom clerk. The court strongly discourages counsel from scheduling appearances in more than one department per calendar call. If unavoidable, every reasonable effort should be made to reschedule one of the hearings.

4. If parties and/or counsel wish to conduct settlement negotiations on the day of the hearing, they shall notify the courtroom clerk prior to the calendar call at the time of the check-in. After so informing the clerk, neither the parties nor counsel need be present when the calendar is called, and the matter will remain on calendar. If a case is settled after the calendar is called but before the hearing, counsel should so inform the courtroom clerk and every effort will be made to place the stipulation on the record before the court hears the remaining contested matters provided there is sufficient time. Counsel should not state that a case is settled if any issues are remaining for court adjudication. It is the duty of counsel to periodically inform the court of the status of the settlement negotiations and to ascertain that sufficient time remains to hear the matter if settlement is not reached.

5. Matters are frequently continued to another date at the time of the hearing or conference. Counsel are advised to bring their calendars to court if they wish the court to take into consideration prior commitments. The court will not allow counsel to postpone setting a future court appearance because they lack immediate knowledge of their calendar.

6. At the time the calendar is called it is the duty of counsel to give the court accurate time estimates for the presentation of the entire matter. Failure to do so may result in the hearing being interrupted, continued, or ultimately concluded at the end of the calendar.

7. Manner of Presentation: Participants shall present Orders to Show Cause, Request for Orders, and motions in the following order:

- a. Announce appearance; and,
- b. Clearly state ALL contested issues; and,
- c. Recite any stipulated matters for approval of opposing counsel, the parties and the court; and,
- d. Briefly present argument on each contested issue including a specific recommended solution. Participants shall not interrupt the opposing side's presentation, other than with valid evidentiary objections, and shall direct all remarks to the court.

8. Once the court has rendered its decision, participants shall not attempt to reargue the case. It is, however, acceptable to question the court in order to clarify a ruling or correct an obvious mistake of fact.

G. Presentation of Evidence at the Hearing: Presentation of testimony at the hearing is dictated by the provisions of Family Law Code section 217 and any rules of court adopted by the Judicial Council regarding implementation of Family Code section 217.

H. Award of Attorney's Fees and Costs: If liquid community assets exist, an award of attorney's fees and costs will generally be made from this source. If no liquid community assets exist, the court will generally award attorney's fees and costs to those persons who are unable to bear their own fees and

costs. Each party should be aware that an award of attorney's fees and/or costs under Family Code sections 2030 and 2032 is generally subject to a need and ability analysis. Absent unusual circumstances, it is highly unlikely the court will order any party to pay 100% of the other party's attorney's fees and costs. Each party should expect to bear a significant portion of his/her own attorney's fees and costs even after a need/ability analysis. An award against a party may, if requested, be made in the nature of non-taxable spousal support payable by wage assignment. The court will require the repayment of a retainer where the party awarded the attorney's fees was compelled to borrow the retainer, and the community or the paying party has the ability to repay the loan.

When awarding attorney's fees in enforcement actions, including contempt, the court will be governed by Family Code §3557.

Any time fees or costs are at issue, pursuant to Family Code, section 2030 both parties shall submit a *fully completed* income and expense declaration. (Emphasis added).

I. TEMPORARY SPOUSAL SUPPORT FORMULA. Temporary spousal support is generally computed by taking 40% of the net income of the payor, minus 50% of the net income of the payee, adjusted for tax consequences. In the event there is child support, temporary spousal support is calculated on the net income not allocated to child support and/or child-related expenses.

(Adopted, effective January 1, 2000)(Repealed and incorporated into New Rule 5.8, effective January 1, 2004)

Rule 5.8 Trial Setting, Status Conference, and Mandatory Settlement Conference Rules

A. Purpose: The purposes of these rules are to: ensure that contested Family Law matters are thoroughly prepared and expeditiously processed; foster the informal exchange of information and cooperation between counsel and parties; avoid using the trial itself as a vehicle for what should be pre-trial discovery and settlement procedures; and encourage the consideration and use of appropriate dispute resolution options.

B. Trials:

1. Trial matters may be short cause or long cause. Trials are defined as:
 - a. Those family law matters referred for trial from a status or settlement conference and in which the trial or hearing requires time on the Court's calendar in excess of 20 minutes;
 - b. Those family law matters set on, or transferred from the law and motion calendar to the family law trial calendar because the time required to hear the matter will exceed 20 minutes; and
 - c. Those family law matters directed by the Court to be placed on the family law trial calendar.
 - d. For purposes of Government Code §26830 only, a trial is considered to be a matter with a setting of one day or more.
2. Memorandum that Civil Case is at Issue ("At-Issue Memorandum"): No At Issue Memorandum to set the matter for trial shall be filed in any case commenced after January 1, 2004. Pending cases as of January 1, 2004 shall be assigned to a department pursuant to Local Rule 5.4

such that cases shall be randomly assigned to a department and given an date for a status conference upon filing of an At Issue Memorandum. Except as noted herein, counsel and all self-represented parties are advised that compliance with all provisions of Local Rule 5.8(C) is required for all cases, whether pending or not as of the effective date of this rule.

C. Status Conference:

1. Date set upon filing: Except as set forth in paragraph 2 below, every case for dissolution of marriage, nullity, or legal separation filed after the effective date of this rule will be assigned a Status Conference with the assigned judicial department on a date and time to be provided by the court upon filing of a Response. The Conference will be set in the assigned department approximately 120 days from the filing of the Response unless counsel or self-represented parties request that the Status Conference be held earlier, a judgment has been entered, or a dismissal has been filed. The court will serve a copy of the Notice of Assignment and Status Conference on the parties when the Conference is set.

2. If the parties to a case for dissolution of marriage, nullity, or legal separation elect to resolve their matter using the collaborative law process (also referred to as collaborative practice) or mediation, then they may defer the setting of a Status Conference provided they file a Stipulation and Order to Defer Setting of Status Conference (see Local Court form FL-13). Thereafter, if upon termination of the collaborative law process or mediation, either party wishes to set a Status Conference, s/he shall do so by filing a Request to Set Status Conference (see Local Court form FL-14).

3. On request of either party or on the Court's own motion, the court may set any other matter for a Status Conference.

4. Required Statement: At least 15 days prior to the initial Status Conference the parties shall file with the court and serve on all other parties a completed Status Conference Statement (see Local Court form FL-03) a copy of which is available at the clerk's office or through the court's website: www.sanmateocourt.org. The parties may elect to file a jointly prepared Status Conference Statement.

5. Participation at Conference: Unless otherwise excused by the court, counsel for each party and each self-represented party appearing in the action shall attend the Status Conference, shall have filed the required statement and shall be familiar with the case and be fully prepared to discuss all matters raised by the pleadings including a timetable for resolution which may include those actions described below in subdivision 5. The court may, after reviewing the timely filed Status Conference Statement determine that appearances at the conference is not necessary. If such appearance is not required, the court will notify counsel and any self-represented parties that no appearance is required.

6. Actions and orders: At the Status Conference, provided that the parties have stipulated and when legally required, the court shall take appropriate action and make orders consistent with the policy of prompt case resolution. Such actions may include but are not limited to the following:

- a. Set the case for trial and/or mandatory settlement conference;

Additional continuances may be requested for good cause. Good cause may consist of, but is not limited to, a showing that significant progress has been made toward a resolution of the case through settlement, mediation, collaborative law, and/or reconciliation. Both counsel and parties must agree that the status conference should be continued.

8. Sanctions: The court may impose sanctions if a Status Conference Statement is not timely filed and served, a Status Conference Statement is not fully completed, a party or his/her attorney fails to appear, an attorney or self-represented party is not fully prepared to discuss the case or lacks the authority to discuss and resolve any issues that arise at the conference including but not limited to discovery matters and the setting of subsequent court dates.

9. The matter may not be set for trial until the judicial officer conducting the Status Conference deems the matter ready for a Mandatory Settlement Conference and/or trial.

10. Judges Pro Tem: Experienced family law attorneys may be assigned as judges pro tem to assist the parties and counsel in reaching a settlement. (It is not necessary for a party to stipulate to a judge pro tem at settlement conferences unless there is a request for stipulations to be placed on the record.) Parties are required to participate in meaningful settlement discussions and attempt to resolve as many trial issues as possible. The supervising judge and any judge or commissioner not otherwise engaged may be available for additional assistance, including making orders for sanctions requested by either party.

D. Mandatory Settlement Conferences (MSC)

1. Calendaring: No long cause case will be tried until the parties participate in a Mandatory Settlement Conference ("MSC"). A Mandatory Settlement Conference is available on short cause matters by stipulation and court order. The date for the MSC will be set at the final status conference by the clerk of the assigned department. Additional Mandatory Settlement Conferences may be held on the joint request of the parties or on order of the Court.

Counsel shall call the clerk of the assigned department at least 5 court days in advance of the MSC to confirm that the MSC will go forward or to request a continuance. An MSC will only be continued for good cause. No continuances shall be granted on the day of the scheduled conference. Failure to comply will result in monetary sanctions.

2. **Meet and Confer Requirement:** Counsel shall meet and confer either in person or by telephone at least seven (7) court days before the day of the MSC to resolve as many issues as possible and to specify those matters to be litigated. Results of the conference shall be included in the Mandatory Settlement Conference Statement. Failure to comply with these requirements shall subject offending counsel to monetary sanctions.

3. **Mandatory Settlement Conference (MSC) Statement:** Both parties shall prepare a Mandatory Settlement Conference Statement and, if support or fees are at issue, a current income and expense declaration, and shall serve a copy of each on opposing counsel and the assigned judge in such a manner as to assure they are received no later than 12 noon 5 court days prior to the MSC. (If that falls on a Monday, which is a court holiday, then the preceding Friday is viewed as the appropriate date.) Both parties shall state with specificity their good faith proposal for the disposition of each contested issue. Counsel should adhere to the format set forth in the “Mandatory Settlement Conference Statement Format” (see Appendix 1). A settlement brief may be attached. Copies of the following documents shall be brought to the MSC if an unresolved issue requires their production (these documents are not to be attached to the Mandatory Settlement Conference Statement):

- a. All real and personal property appraisals and pension plan evaluations. If no written demand to cross-examine the appraiser is made within ten (10) days after the Mandatory Settlement Conference, or five (5) court days prior to trial, whichever occurs first, the appraisal shall be deemed to have been stipulated as admissible in evidence without a foundation and without the appearance of the appraiser.
- b. If a party proposes an immediate award of the full community interest of a pension plan, then that party must obtain an actuarial or other appropriate and relevant valuation of the plan. The valuation should be requested sufficiently in advance so that the written evaluation is available at the conference.
- c. Bank, credit union, savings account balances and statements of balances of other liquid accounts, as of the date of separation and relevant dates thereafter.
- d. Promissory notes, deeds, and other documents of title or major debt, bills from creditors, and negotiated bank checks.
- e. An itemization of all furniture, furnishings, appliances, utensils, and all other personal property with the party’s best estimate of value of each item, unless the parties previously have agreed to some division of these items, or unless an appraisal of these items is included.
- f. A statement from the carrier of the cash value of a whole life insurance policy.
- g. Copies of the relevant blue book pages for all vehicles whose value is at issue.

4. **Attendance:** Absent a court order allowing a party to appear telephonically, both parties and their counsel of record must personally attend the MSC and be prepared to conduct a meaningful settlement conference. Each attorney attending the MSC shall have a thorough knowledge of the evidence and shall be prepared to discuss the facts and law pertaining to all issues then pending and to be resolved at trial.

5. **Sanctions:** The trial judge may consider the reasonableness of each party’s prior settlement position in awarding attorney’s fees and costs pursuant to Family Code §271. Failure to appear or

participate in the MSC or to comply with the exchange of information as required by these Rules will result in sanctions.

6. Setting for Trial: Cases shall be set for trial according to Local Rule 5.8 (E) and (F) at the conclusion of the conference where settlement was not reached on all issues.

E. Short Cause Trials

1. Short cause trials may not exceed 3 hours, including time for the judge to review the file, read the trial briefs, conduct chambers conferences and issue a ruling. Cases may be assigned to a department's Short Cause trial calendar by court order from the law and motion calendar or at the conclusion of a status or settlement conference that did not fully resolve all pending issues. A trial date will not be set except by the assigned department after determination is made that subsequent conferences would not settle the case. Cases that exceed the 3 hours time limit may be mis-tried by the trial judge and set for a status or Mandatory Settlement conference with a revised time estimate, continued, or dismissed from the trial calendar

2. Continuances: One stipulated continuance of a short cause trial may be granted by phone with 24 hours' notice, or in open court. No more than one continuance shall be granted without court order and for good cause shown. If a case is not ready to proceed to hearing on the date established as a result of the continuance, the court shall, absent good cause shown, take the matter off calendar.

3. Occasionally, temporary judges will be available to hear short cause cases when the assigned judicial officer is absent. These temporary judges will be experienced family law attorneys who have been approved by the supervising judge of the Family Law Department and/or the presiding judge. If a case is assigned to a temporary judge, litigants will be asked by the clerk in the assigned trial department to sign a stipulation consenting to that temporary judge. If consent to a temporary judge is not obtained, the case shall be referred to the Supervising Family Law Judge for assignment that day to an available judicial officer or continued to a convenient date on another calendar.

4. Counsel shall meet and confer either in person or by telephone at least 7 calendar days before the day of the trial to resolve as many issues as possible and to specify those matters to be litigated. Failure to comply with these requirements shall subject offending counsel to monetary sanctions.

5. If custody or visitation is in issue at the time of the trial, the parties shall meet with Family Court Services before trial. The meeting shall be scheduled sufficiently in advance of the trial to allow time for the counselor to prepare and file a recommendation, at least 5 calendar days before the scheduled trial date.

6. Mandatory Short Cause Statements (see Local Court Form FL-12): Counsel shall prepare a short cause trial statement and, if financial matters are at issue, an income and expense declaration. Completion and filing of a Mandatory Settlement Conference statement shall satisfy the requirements of this section. The originals of these documents and income and expense declaration shall be filed with the family law clerk's office and copies served on the opposing party not later than 5 calendar days before the Mandatory Settlement Conference or trial date whichever comes first. Failure to timely serve and file the trial statement shall subject the offending counsel to sanctions.

7. Memorandum of Points and Authorities: When a case involves complex or novel points of law or the California Rules of Court require it, the parties shall file legal points and authorities along with their short cause trial statement.

F. Long Cause Trials

1. A long cause trial is defined as any trial estimated to require more than 3 hours of court time.
2. Trial Setting: A trial date will not be set except by the assigned department after the Mandatory Settlement Conference has occurred and a determination made that no further settlement conferences will settle the case. The trial date will be set a reasonable time after the last settlement conference.
3. Continuances: Trials may only be continued by the supervising judge or assigned trial judge. Normally continuances are only granted in extraordinary circumstances (which do not include a change of counsel).
4. Trial Preparation: The rules governing trial preparation are set forth in the “Long Cause Trial Rules Checklist” (see Appendix “2”).
5. Trial Briefs: Trial briefs are required. If a case involves complex or novel points of law or otherwise required by California Rules of Court, the trial brief shall include legal points and authorities. The format of the trial brief is left to each attorney’s discretion. Trial briefs shall be exchanged as set forth in Appendix “5”.

Rule 5.9 Judgment by Default or Uncontested Hearing

A. A dissolution or legal separation may proceed by way of default or stipulation. The judgment is obtained by testimony at a default prove-up or uncontested hearing, or by stipulation and/or affidavit pursuant to Family Code §2336.

B. To obtain entry of default, the Petitioner must complete and file a Proof of Service of Preliminary Declaration of Disclosure, a Request to Enter Default, and provide the clerk with a stamped envelope bearing sufficient postage addressed to the spouse who has defaulted, with the address of the family court clerk’s office as the return address. After default is entered, the Petitioner may apply to the court for the relief sought in the Petition by submitting an original and two copies of a judgment packet. A judgment packet must contain the following documents:

1. Declaration of Default or Uncontested Dissolution or Legal Separation, Judgment (Family Law) with or without a Marital Settlement Agreement, Notice of Entry of Judgment and envelopes, with the court’s address as the return address, stamped and addressed to each party.
2. If a default judgment is submitted with a Marital Settlement Agreement, the judgment package must also include a Declaration Regarding Service of Final Declaration of Disclosure from

each party unless waived consistent with state law (Family Code §2105). Respondent's signature on the Marital Settlement Agreement must be notarized.

3. If the proposed uncontested judgment is not a stipulated judgment and includes a division of property, a fully completed property declaration, including values, must be filed. The court cannot divide assets or debts that are not listed on the Petition or property declarations served on Respondent.

4. If the proposed uncontested judgment is not a stipulated judgment and includes provisions for child support, spousal support or a waiver thereof, attorney's fees or costs, the moving party must also file a current income and expense declaration. Neither child nor spousal support will be granted unless the moving party sets forth an estimate of the other party's income in the income and expense declaration. If the moving party does not know the other party's present income, this requirement may be met by evidence of the other party's ability to earn, work history or other relevant facts.

5. Requests for default in a nullity action must be accompanied by a declaration setting forth the factual basis for the request.

C. Stipulated judgments in cases which are not proceeding by default, must contain the following waivers:

1. The matter may proceed on the default or uncontested calendar before a judge pro tem; and,
2. The parties waive their right to notice of trial, a statement of decision, to move for a new trial, and to appeal.

If the parties are unable to reach an agreement, the child custody recommending counselor will give a written recommendation about the parenting plan to the court.

B. **Location of Family Court Services**

1. Family Court Services is located on the 6th floor of the Hall of Justice and Records, 400 County Center, Redwood City, California. Phone number: 650 363-4561; Fax 650 363-4966.

2. Setting an appointment with Family Court Services: If a Request for Order concerns custody or visitation and FCS mediation also called “child custody recommending counseling” appears necessary, the moving party, or their attorney, must contact FCS after the moving papers are filed and served to schedule an appointment. If the responding party determines that a custody or visitation dispute exists, which is not set forth in the moving papers, the responding party is responsible for scheduling the earliest possible FCS appointment and promptly notify the moving party of the time and date for the meeting. (Providing the requested relief is available pursuant to Family Code section 213).
 3. Parent Orientation Workshop: All parties filing a Request for Order related to custody and visitation of minor children are required to complete a parent orientation workshop prior to their FCS appointment. Parties can meet this requirement by:
 - a) Viewing the Orientation and Parent Handbook online at www.sanmateocourt.org/fcs. Parties are required to bring their certificate of completion to their appointment.
 - b) Parties may attend the Family Court Services Parent Orientation in person at the Court by calling FCS at 650 363-4561 or register on-line at www.sanmateocourt.org/fcs/signup/
 4. Failure to Appear at Family Court Services Appointment: Family Court Services will impose a fine of \$100 on a party who receives reasonable notice of the appointment at FCS and fails to appear without good cause or who cancels within 48 hours of the appointment. The Court may order additional sanctions.
 5. Submitting Information Sheet to Family Court Services: At or before the appointment with FCS, each party must submit a completed Information Sheet. Blank Information Sheets may be obtained at www.sanmateocourt.org/forms_and_filing. If a day of court referral to FCS is going to be requested, the parties are expected to have completed the day of court Family Court Services Information Sheet prior to having their matters called in court. Similarly, if a party is appearing by telephone, an Information Sheet may be obtained online and faxed or mailed to FCS prior to the appointment. The parties should indicate to the courtroom clerk that they plan to request a referral to Family Court Services.
- Prior to their appointment, the parties, or their attorneys, may provide FCS with filed-endorsed moving papers, responsive papers, and/or declarations signed under penalty of perjury. Absent a court order to the contrary, FCS will not accept these documents unless they have been served on the opposing party or their attorney. FCS may review further documents submitted by either party if the counselor, at the counselor’s sole discretion, determines them relevant.
6. Telephone Conferences: If a personal meeting with a counselor at FCS is not feasible, such as when one party resides outside of the nine Bay Area counties, a session may be conducted by telephone. The parties or counsel for the parties shall advise FCS of the need for telephonic appearance and provide appropriate telephone numbers. It is the responsibility of the party not appearing in person to place the telephone call to FCS at the time of the appointment (i.e., FCS does not call the parties).
 7. Initial Meeting: The assignment of child custody recommending counselors is an administrative function of Family Court Services. Cases are equitably distributed amongst staff on a rotational basis according to availability, except by specific order of the court. Other than a statutorily authorized support person, only parents shall attend the appointment, unless requested by

the court or FCS counselor. The parties' attorneys do not participate in the session. If the recommending counselor wants to interview the child(ren), or other parties, the counselor will arrange for such interviews after the initial meeting.

8. Subsequent Appointments: Unless a review appointment is requested by the Court or the recommending counselor, parties may not set an appointment with Family Court Services sooner than twelve (12) months after their last session. In general, it is the policy of Family Court Services to assign the parties the same counselor in order to provide for continuity of services.

9. Complaints and Requests to Change Counselors (pursuant to Family Code 3163):

- a) All requests for a change of recommending counselor and/or formal complaints shall be in writing. The Client Comment Policy and Complaint Form is available online at www.sanmateocourt.org/forms_and_filing or by contacting the Family Court Services office at (650) 363-4561.
- b) Comments about the FCS process, complaints, and/or requests to change counselors shall be directed to the Manager of Family Court Services and should be made at the earliest possible time after the appointment, but in no event later than 10 calendar days after the report.
- c) A peremptory challenge of a counselor is not allowed.
- d) No change of counselor requests will be granted unless there is substantial showing that the counselor is biased or prejudiced against one of the parties or is unable to render a fair and impartial recommendation.
- e) A courtesy copy of the Complaint Form shall be provided to the other parent by Family Court Services. The other parent may submit a written response.
- f) The Manager shall review the request and shall advise the parties of the decision in writing. The Manager's decision is final.

10. Meeting separately: If there is a restraining order, the parties will be seen separately during the same session. A party who alleges under penalty of perjury that they have been a victim of domestic violence may request to meet separately even though there is no current restraining order. Protected parties or parties who allege domestic violence may have a support person in the session. The support person must be at least 18 years of age and cannot be the attorney of record for either party. The support person must sign a FCS form agreeing to keep the session confidential. The support person is for emotional support and is not present to speak or offer comments during the session, nor to offer advice to the parent. If the support person is disruptive to the session, the counselor will exclude the support person.

11. Involvement of a Child in the Process: As part of the recommendation process, minors are occasionally interviewed by FCS. Parents should not bring children to appointments unless specifically requested by the recommending counselor or Court. In general, children are interviewed by the counselor without the parents present. Family Court Services does not provide the type of parent-child interaction/attachment assessment that is included in a private child custody evaluation. Beyond minor interviews with FCS, a child's participation in Family Court is governed by Family Code §3042 and related Rules of Court. As such, a counselor will inform the court if they have information indicating that a child in a pending matter wishes to address the court.

12. Family Court Services Recommendation: If the parties were unable during the mediation to reach an agreement the child custody recommending counselor will submit a written recommendation about the parenting plan and the reasons for the recommendation to the parties, their attorneys and the court. The court will consider the recommendation at the time of the hearing and will make a final determination about custody and visitation. A party has the right to cross-examine the counselor during the hearing. A subpoena is required to ensure attendance of the counselor, and fees shall be submitted in advance to Family Court Services in accordance with Government Code § 68097.2.

13. Sealing reports and Filing Recommendations Reports submitted by FCS or other mental health professionals shall always be sealed in the civil file.

14. Confidentiality of Reports: Family Court Services Report to the Court shall be confidential and unavailable to any person except the court, the parties, their attorneys and any person to whom the court expressly grants access by written order made with prior notice to all parties. Except for the section of the report labeled “Recommendations” or “Agreements” the report should never be attached to any pleadings made part of the Court file. Minors should not have access to the report.

Anyone receiving the child custody recommending counselor’s report shall not give copies of, or parts of the report to anyone who is not assisting in the preparation of the case. These reports usually contain sensitive information and shall not be used to cause unnecessary embarrassment or harm to the parties but shall be handled in a responsible, confidential manner for purposes limited to the litigation. The court reserves the right to impose appropriate sanctions upon any person who violates this rule.

Family Court Services proceedings shall be held in private and shall be confidential. All communications, verbal or written, from the parties to the child custody recommending counselor made in the proceeding are official information, and FCS staff will not release information about the case to any individual except as authorized by the Court or statute.

If any person subpoenas or otherwise attempts to obtain confidential case information, FCS staff will be deemed to have asserted the privilege for official information, and said information will not be provided without an order of the court.

C. Court Ordered Private Child Custody Evaluations:

1. Court appointed evaluators shall abide by the requirements of Rule 5220, et seq. Uniform Standards of Practice for the Court Ordered Child custody evaluation in the California Rules of Court.

2. No peremptory challenge to a Court appointed evaluator is allowed.

3. Evaluators may petition to withdraw from a case by submitting a request in writing to the court and mailing copies to the counsel for the parties. The request shall include the reason for the request and a status report on any action taken by the evaluator appointed to the case.

4. Grievance Procedure: Complaints regarding the evaluator’s performance shall be submitted to the Court for review. All submitted written complaints will receive a response from the Court.

5. The evaluator may initiate an ex parte communication with the court to define the scope, process and methods of the evaluation when authorized by the order appointing the evaluator.

6. All child custody and visitation evaluations shall be ordered by the court and evaluators will be appointed under Evidence Code Section 730. The court may elect not to consider evaluations which have not been approved and ordered by the court.

7. A copy of the appointment of the evaluator under Evidence Code Section 730 will be made available to the court assigned evaluator. A court ordered evaluation may be limited in scope to the issues identified by the court.

8. Information from Children: The court relies on the judgment of its experts in making decision about when, how often, and under what circumstances children are interviewed. The expert shall be able to justify the strategy used in any particular case. Except in extraordinary circumstances, including the potential for danger to the child, children shall be informed that the information provided by the child will not be confidential.

9. Any evaluation based on interviews with only one parent shall not include a recommendation regarding custody.

10. Payment of the Evaluation: The court will order payment of the evaluation at the time of the appointment.

11. Any court ordered child custody evaluation shall be submitted to the court and counselor for the parties not less than ten (10) days before the hearing or trial.

DIVISION VII
PRETRIAL PROCEEDINGS IN CLASS ACTIONS

Rule 7.1 Introduction

This division sets out the pretrial procedures to be used by this court in class action suits brought under Code of Civil Procedure Section 382 or Civil Code Sections 1750, *et seq.*, to determine class issues and for terminating class suits prior to trial. The rule sets forth general procedures and does not purport to codify the law governing class actions. It is the intent of this court that this rule be applied flexibly and in light of the particular circumstances of a given case. In appropriate cases¹, any named party may move for relief from compliance with this rule on the ground that the pending case does not involve a class action of the nature contemplated by this rule.

(Adopted, effective July 1, 1996)

Rule 7.2 Issues Subject to Pretrial Determination

(a) (Class Issues) To the extent required by applicable law, the court shall consider the following class issues to determine whether a class action properly exists:

- (1) Constitution of the class (composition, number, location, description, possible subclasses, etc. of the class).
- (2) Whether common issues of law or fact predominate over individual issues.
- (3) Superiority of the class action to other available methods for the fair and efficient adjudication of the controversy.
- (4) Membership of the class representative in the class.
- (5) Ability of class representative to fairly and adequately protect the interests of the class.
- (6) Necessity for and contents of notice.

(b) (Additional Issues) When appropriate, the court may also consider additional pertinent issues, including consolidation, severance, coordination, bifurcation, communication with the class, intervention, joinder, and precedence of discovery.

(Adopted, effective July 1, 1996)

¹For example, a taxpayer action under C.C.P. Section 526(a) or an action by an association as the representative of its members (see, e.g., *Professional Fire Fighters v. City of Los Angeles*, 60 C. 2d 276, 32 Cal. Rptr. 830 (1963)); a mandamus action to compel performance of a public duty (see, e.g., *Diaz v. Quitarano*, 268 C.A. 2d 807, 74 Cal. Rptr. 358 (1969)); actions analogous to those defined by Rule 23(b)(1) and (b)(2) of the Federal Rules of Civil Procedure.

Rule 7.3 Caption of Pleadings

All complaints for or against a class party shall include in the caption the designation "CLASS ACTION". This designation shall be typewritten in capital letters on the first page of the complaint immediately below the Clerk of the Court's file number but above the general description of the nature of the complaint.

(Adopted, effective July 1, 1996)

Rule 7.4 Pretrial Proceedings

Two types of pretrial proceedings may be scheduled to resolve issues involved in class actions.

(a) (Informal Conferences) One or more conferences, informal in nature, may, in the discretion of the court, be held upon written notice of any named party or the court. The conferences will be held in chambers to discuss class issues involved, establishment of precedence of discovery, scheduling of hearings and other matters. At these conferences no evidence may be presented, but the court will expect all attorneys to have sufficient knowledge of the class issues to discuss proposed stipulations resolving any class issues.

(1)(Timing) The conference may be held any time after all the defendants have made an appearance in the case, following written notice at least fifteen days before the date of the conference.

(2)(Order) At the conclusion of the conference, the court shall make an order embracing any stipulations of the parties and establishing a schedule for discovery, the date for subsequent informal conferences, if any, and the initial pretrial hearing on class issues. The order will be binding on all parties until modified or terminated. Nothing contained herein shall preclude a party from stating on the record any objection to the court's conference order.

(b) (Pretrial hearings on class issues) One or more pretrial hearings will be held to resolve class issues. Presentation of evidence at the hearing will be through declarations submitted and previously discovered evidence. Oral testimony will not be permitted except on leave of court. The burden of proof on all class issues is on the party alleging the existence of the class, and all class issues must be proved by a preponderance of the evidence.

(1)(Initial hearings) An initial pretrial hearing will be held to resolve, at least, class issues (1) - (5) listed in Rule 7.2(a) (and, if appropriate, also issue 6). All motions must be accompanied by documents on all issues to be presented to the court. The party who has alleged the existence of the class must submit declarations on issues 1, 4 and 5.

(2)(Subsequent hearings) A subsequent hearing may be held to resolve class issues not earlier resolved or, upon a sufficient showing of changed factual circumstances having occurred or new evidence having been discovered after the earlier hearing, to reconsider class issues. If issue was not determined earlier, that issue must be determined at the subsequent hearing.

(3) (Filing of documents) All notices of motion for pretrial proceedings to resolve class issues must be filed and served at least thirty days before the date of the hearing. All response documents must be filed at least fifteen days before the date of the hearing. All documents in reply to the response must be filed at least five days before the date of the hearing.

(4)(Contents of documents) Every notice of motion for pretrial proceedings to resolve class issues must be accompanied by appropriate declarations and by a memorandum of points and authorities, including a statement separately discussing each class issue to be resolved in terms of the pleadings, the evidence before the court, and such other matters as are appropriate to set forth that party's position on each issue.

(Adopted, effective July 1, 1996)

Rule 7.5 Notice to Public Entity or Official

When a public entity, or a public official or public employee in his or her official capacity is an unnamed member of the class, notice of the pendency of the class action shall be given to that entity, official, or employee, if known. If the action seeks relief, other than money damages, for adverse environmental effects which affect the public generally, notice shall be served on the State Attorney General.

(Adopted, effective July 1, 1996)

Rule 7.6 Class Action Order

At the conclusion of each hearing, the court will make an order upon the issues presented to it. The order will be final if it dismisses the maintainability of the action as a class action; if the order does not dismiss the action as a class action it will be interlocutory in nature and may be rescinded or modified as the changed circumstances of the action require. An order certifying a class supersedes the pleadings but does not relieve the party from the burden of proving at trial the matters included within class issues (1) through (5) of Rule 7.2(a).

(Adopted, effective July 1, 1996)

Rule 7.7 Early or Separate Trial

Any named party may move for, or the court on its own motion may order, an early trial of appropriate issues under Code of Civil Procedure Section 597 or Section 598, or a separate trial of any cause of action or issue under Code of Civil Procedure Section 1048(b). At the conclusion of the trial on bifurcated issues, the court will make its order establishing the proof (or failure therefor) upon the issues presented. The order will constitute a final determination of said issues for all trial purposes.

(Adopted, effective July 1, 1996)

Rule 7.8 Certificate of Readiness

No certificate of readiness may be filed until all class issues have been resolved and appropriate orders made.

(Adopted, effective July 1, 1996)

Rule 7.9 Settlement of Class Claims

All agreements between the parties which settle the claims of the class and terminate the action must be approved by the court after a settlement hearing. The notice of any motion for approval of the agreement must be accompanied by a copy of the proposed notice to the class on the proposed settlement and by the proposed method of giving notice, which shall be the same as that previously used in the case, unless otherwise determined by the court. All agreements on fees to be paid to attorneys for the class as part of the settlement should be included in the settlement. Regardless of the sum agreed upon by the parties, the court will award only that amount of fees which it determines to be reasonable.

(Adopted, effective July 1, 1996)

Rule 7.10 Retention of Jurisdiction

Where the judgment of the court requires the parties to perform future acts beyond mere payment of a money judgment, the judgment shall provide for the court's retention of jurisdiction while satisfaction of the judgment is being effected.

(Adopted, effective July 1, 1996)

Rule 7.11 Dismissals

Dismissals or partial dismissals in class actions are subject to prior court approval. Any request for dismissal must be accompanied by at least one declaration setting forth the facts upon which the party relies in seeking the dismissal, as well as the full terms of any settlement between the named parties. Notice to the class may be required before the dismissal is approved.

(Adopted, effective July 1, 1996)

**DIVISION X
JUDICIAL ARBITRATION FOR CIVIL CASES**

Rule 10.1 Judicial Arbitration for Civil Cases

A. Use of Arbitrator's Panel

The combined courts shall use the same panel of arbitrators promulgated pursuant to CRC Rule 3.814.

B. Pleadings Submitted to Arbitrator

Each party in a case referred to arbitration may lodge with the arbitrator a copy of the latest complaint, answer, cross-complaint, or answer to cross-complaint filed by that party and arbitration brief, if any. Documents shall be lodged with the arbitrator at least five (5) court days prior to the scheduled hearing or whenever the assigned arbitrator requires.

C. Length of Arbitration Hearings

Hearings shall not exceed three (3) hours, or in the arbitrator's discretion, upon good cause shown, a maximum of five (5) hours except as otherwise provided herein. If any party believes that the hearing will require more than five (5) hours ("lengthy hearing"), that party may obtain permission for such lengthy hearing by either:

1. Filing at least five (5) court days before the hearing a written stipulation among the parties and the arbitrator for a lengthy hearing and providing for payment by the parties of a reasonable rate of compensation for the arbitrator for each hour of hearing in excess of five (5) hours; or
2. Obtaining a Court order by written application showing good cause for a lengthy hearing made to the Court at or before the time when the matter is referred to arbitration.

D. Requests for Continuances - Hearing Date and Jurisdiction of the Arbitrator.

Any request to continue a judicial arbitration hearing will automatically vacate the current arbitration hearing date. Any application to the court for a continuance of the arbitration hearing shall be submitted on a Court provided form entitled "Ex Parte Motion and Stipulation for Continuance of Judicial Arbitration Hearing." Parties can obtain a copy of the form by contacting the court's judicial arbitration administrator.

E. Requests to Change ADR Processes

1. It is the policy of this court that all judicial arbitration hearings shall be conducted in accordance with California Rules of Court, rules 3.810 – 3.829. At the time of the case management hearing, the court expects parties to be prepared to select the appropriate ADR process for their case. [CRC, rules 3.720-3.730].

2. Parties may not switch from court ordered judicial arbitration to another form of ADR on the day of the judicial arbitration hearing. However, if the parties believe that another ADR process might be more beneficial to their case, they may request permission from the court to switch ADR processes. Parties must submit their request to the court using the Court provided "*Stipulation and [Proposed] Order to {Mediation, Neutral Evaluation, etc.} in Lieu of Court Ordered Judicial Arbitration*" form. [See Local Rule 2.3(h)(3)].

Rule 11.2 Information Forms for Data Processing

The court may prescribe forms for filing with such papers as may be necessary to accommodate data processing and statistical reporting requirements. These forms will normally be required with all first appearances or any other pleadings which affect the status of the parties in an action, including proofs of service of summons, memoranda to set, any documents requiring a hearing, and such other documents as may be identified by the court as requiring the input of special data to a case management/statistical reporting system. Specific statements of policy requiring the filing of these forms, and amendments thereto, will be published as they are approved by the court through customary media and bar liaison channels. These forms will be made available at the Court clerk's offices, as appropriate.

(Adopted, effective July 1, 1996)

Rule 11.3 Long-Cause Pre-arbitration, Settlement and Trial Setting

- (a) For purposes of these rules, any civil action requiring more than four hours for trial or in which a Jury is demanded is deemed to be a long cause matter. All other actions are short-cause matters.
- (b) Pre-arbitration, settlement and trial-setting conferences shall be conducted in accordance with the California Rules of Court and the rules of this Court, with notice of such conferences to be given by the Clerk.
- (c) The Presiding Judge or a Judge designated by him or her shall hold a combined Pre-arbitration or mediation, settlement and setting conference for every long-cause civil action. All matters which are or will be subject to arbitration or mediation under the provisions of Chapter 2.5, Title III, or title 11.6 of Part 3 of the Code of Civil Procedure (Sec. 1141.10 et seq., or Sec. 1775 et seq.) or Rules 3.810, et seq., or 3.870, et seq. of the California Rules of Court shall be arbitrated or mediated, except those matters which the conference Judge determines to be not amenable to arbitration or mediation or cases in which arbitration or mediation is not likely to result in a reduction in the time or expense of litigation. In all other long-cause matters which are by law not subject to arbitration or mediation, or determined to be not amenable thereto, a settlement and setting conference shall be held.
- (d) Upon filing of a memorandum to set in all long-cause matters, the Clerk shall forthwith set a conference. Notwithstanding any other provision of these rules, a judge of this court assigned to hear civil matters, upon that judge's own motion or upon application by a party, may require that any case, including those defined as short causes, may be subject to a settlement conference. In such event, the conference shall be conducted pursuant to this rule.
- (e) At the conference, the conference Judge shall attempt to effect settlement of the case. If no settlement is effected and the Judge determines it appropriate to do so, the Judge may adjourn the conference from time to time for further settlement discussions. If no settlement is effected, the matter shall be ordered to be submitted to arbitration unless it is not subject, or amenable, to

arbitration. In all cases set for trial a final settlement conference shall be set approximately three weeks prior to trial date.

(f) At all settlement conferences, all parties shall: (1) Have clients and principals in attendance or on telephone standby. (2) Prepare and submit to the Court, at least two full court days prior to the day of the conference, a written statement containing all of the following: (a) the facts and respective contentions of the parties to prove or disprove the right of recovery; (b) items and amounts of special damages; (c) nature and extent of injuries incurred and claimed residuals supported by written medical reports when available; (d) any wage loss claim, showing methods of computation; (e) any claim for future medical expenses and earnings loss; and (f) statements of the most recent demand and offer.

(g) The trial attorney or a fully informed associate with settlement authority shall attend for each party.

(h) Counsel shall be prepared to make a bona fide offer of settlement.

(i) ARBITRATION. After a case has been ordered to arbitration and the arbitrator has been selected, not later than five (5) days prior to the date set for the arbitration hearing, each party shall lodge with the arbitrator a legible copy of each pleading that party has previously filed with the court and each court order which the party has obtained.

(j) After arbitration, if a party elects to have a trial de novo pursuant to Code of Civil Procedure Section 1141.20, trial will be set by the Clerk. The case shall receive priority and shall be set on the first trial date reasonably available. A settlement conference shall also be set approximately three weeks prior to the trial date.

(Adopted, effective July 1, 1996) (Amended, effective January 1, 2007)

Rule 11.4 Civil Case Assignment

All civil cases will be assigned at the time the complaint is filed to the program judge assigned to hear Municipal Court cases. The case shall be managed by the assigned program judge until disposition or until the case is assigned to a trial department.

(Amended, effective January 1, 1997)

Rule 11.5 Juries: Fees and Demands

Jury fees shall be deposited as provided in Code of Civil Procedure Sections 631 and 631.3. Parties in civil actions shall be deemed to have waived their right to a trial by jury in all cases in which they would otherwise be entitled to such a trial, by an express waiver or failure to demand a jury, or in any other manner prescribed by C.C.P. § 631 or 631.3.

In unlawful detainer cases in which a jury is demanded, a jury will be deemed to be waived unless the party demanding the jury either: (1) deposits jury fees as required pursuant to C.C.P. § 631(c)(1) or (2) obtains an order to proceed in forma pauperis prior to 10 AM on the fifth day prior to the day set for trial - not counting weekends or non-judicial days established pursuant to law.
